

# UCCSN Board of Regents' Meeting Minutes February 27-28, 1892

02-27-1892

Volume OB - Pages 164-165

Reno, Nevada

February 27, 1892

Board of Regents met at noon. Present: Governor Colcord, E. T. George and H. L. Fish and S. A. Jones President.

Minutes of meeting held January 30th read and approved.

Claims allowed against the Contingent University Fund amounted to Six Hundred Nineteen Dollars and Forty Six Cents (\$619.46) and Mining Laboratory Fund, Sixty Dollars (\$60.00), totalling \$679.46. Agricultural and Mechanical College Fund total \$2,228.82 as per journal entries.

Presentation of matter of catalogue of 1892, discussed. Communication from Professor Cowgill read and considered. Professors Hillman and Thurtell appeared relative to change in catalogue.

Professor Cowgill was called relative to catalogue and his hours of work.

Richard Brown asked permission to construct an addition to the Mechanical Arts building. Cost not to exceed \$550.00, which was allowed.

Professor Jackson offered a resolution relative to the Mining Laboratory and the sending out of completed analysis of ores and material, which was approved as follows:

There shall be two classes of deteriorations, chemical and mineralogical, and there shall be two corresponding series. Samples shall be taken up in each series in the order in which they are received in that series. The results of each deterioration shall be sent out as soon as the determination is completed.

No further business appearing, the Board adjourned.

H. L. Fish

President

Geo. H. Taylor

Secretary
