The Board of Regents met in special meeting at the Office of the Washoe County Bank at 6:30 P.M., Wednesday, June 22, 1904, a full Board being present.

The following resolution was offered by Regent Bray, duly seconded and carried:

The Board of Regents have heard with pleasure and regret that Professor Gordon H. True has been offered a position in the Arizona Experiment Station at a somewhat increased salary -- pleasure that his abilities are thus recognized, regret that the finances of the University are not in a condition to warrant the Regents in offering any advance in his salary.
