Honorable Jim Gibbons  
Governor of the State of Nevada  
*VIA FACSIMILE: (775) 684-5683*

Dear Governor Gibbons:

I have your letter dated August 19, 2008. Thank you for your response.

In it you have confirmed every one of my fears and concerns. It is apparent that in your desire to reduce the size of government, you have no problem in sacrificing education.

Sincerely,

James E. Rogers  
Chancellor
