

NEVADA CLIMATE CHANGE INITIATIVE
NEVADA SYSTEM OF HIGHER EDUCATION PROJECT CONTACTS

This list provides the contact information for the principal investigator of the entire project, the three co-principal investigators, the six leaders of the six main components of the project, and the media / public information officers of the institutions. There are many other researchers and professionals involved in the project. For further assistance, contact anyone on the list below.

Desert Research Institute

Principal Investigator

Project Director, Nevada NSF EPSCoR (National Science Foundation's Experimental program to Stimulate Competitive Research)

Gayle Dana, Ph.D.

775-674-7538, Gayle.Dana@dri.edu

Co-Principal Investigator

Nicholas Lancaster, Ph.D., Research Professor, Division of Earth and Ecosystem Sciences

775-673-6304, Nicholas.Lancaster@dri.edu

Climate Modeling Component Lead

Darko Koracin, Ph.D., Research Professor, Division of Atmospheric Sciences

775-674-7091, darko.koracin@dri.edu

Water Resources Component Lead

Michael Young, Ph.D., Deputy Director / Associate Research Professor, Hydrologic Sciences Division

702-862-5489, Michael.Young@dri.edu

Media / Public Information

Greg Bortolin, Director of Communications and Government Affairs

Reno: 775-673-7465, Las Vegas: 702-862-5409, Greg.Bortolin@dri.edu

Nevada State College

Media / Public Information

Rebecca Zisch, Institutional Advancement Specialist, Office of College Relations

702-992-2364, rebecca.zisch@nsc.nevada.edu

Nevada System of Higher Education

Media / Public Information

John Kuhlman, Manager of Public Information

702-889-8426, john_kuhlman@nshe.nevada.edu

University of Nevada, Las Vegas

Co-Principal Investigator

Thomas Piechota, Ph.D., Associate Professor of Civil and Environmental Engineering

702-895-4412, thomas.piechota@unlv.edu

Education Component Lead

David M. Hassenzahl, Chair and Associate Professor of Environmental Studies

702-895-4457, david.hassenzahl@unlv.edu

Policy, Decision-making and Outreach Component Lead

William James Smith Jr., Ph.D., Assistant Professor of Environmental Studies

702-895-4439, bill.smith@unlv.edu

Media / Public Information

Dave Tonelli, Director of Public Affairs

702-895-3102, dave.tonelli@unlv.edu

University of Nevada, Reno

Co-Principal Investigator

Scott Mensing, Ph.D., Chair and Professor of Geography
775-784-1865, smensing@unr.edu

Ecological Change Component Lead

Franco Biondi, Ph.D., Associate Professor of Geography
775-784-6921, fbiondi@unr.nevada.edu

Cyberinfrastructure Component Lead

Sergiu Dascalu, Ph.D., Associate Professor of Computer Science and Engineering
775-784-4613, dascalus@cse.unr.edu

Media / Public Information

Claudene Wharton, Media Relations Officer
775-784-1169, whartonc@unr.edu
