NEVADA SYSTEM OF HIGHER EDUCATION

BOARD OF REGENTS

Mr. James Dean Leavitt, Chairman

Dr. Jason Geddes, Vice Chairman

Mr. Mark Alden

Mr. Robert J. Blakely

Mr. Cedric Crear

Mr. Ron Knecht

Mr. Kevin J. Page

Mr. Michael B. Wixom

Dr. Andrea Anderson

Mr. William G. Cobb

Dr. Mark W. Doubrava

Mr. Kevin C. Melcher

Dr. Jack Lund Schofield

Scott Wasserman, Chief Executive Officer and Special Counsel to the Board of Regents

OFFICERS OF THE NEVADA SYSTEM OF HIGHER EDUCATION

Mr. Daniel J. Klaich, Chancellor

Mr. Carl Diekhans, President
Great Basin College

Dr. Carol Lucey, President
Western Nevada College

Dr. Michael Richards, President
College of Southern Nevada

Dr. Neal Smatresk
University of Nevada, Las Vegas

Dr. Marc Johnson, President
University of Nevada, Reno

Dr. Lesley Di Mare, President
Nevada State College

Dr. Maria Sheehan, President
Truckee Meadows Community College

Dr. Stephen Wells, President
Desert Research Institute

*Document Prepared by the Academic & Student Affairs Department
Office of the Chancellor*

This page intentionally left blank

How To Use This List

This document serves as the official list of approved high school courses for both university admissions and Governor Guinn Millennium Scholarship eligibility. Each year the office of Academic and Student Affairs in the Nevada System of Higher Education contacts Nevada superintendents and requests an update to the list. Any additional courses that are added for university admission approval are also reviewed and must be approved by the Nevada Department of Education.

University Admission

The university admission policy requires completion of a high school core curriculum as defined below:

High School Course(s)	Units
English: Emphasis on composition, rhetoric, and American, English and world literatures	4
Mathematics: Algebra or higher level mathematics, including first- and second-year algebra, geometry, analytic geometry, trigonometry, pre-calculus, probability and statistics and other advanced mathematics	3
Natural Science: (<i>lab or simulation</i>) including biology, chemistry or physics, with at least two years in a laboratory science	3
Social Science/Studies: Including world history and geography, U.S. history, economics, government, or law	3
Total:	13

Millennium Scholarship Eligibility

In addition to other eligibility criteria, beginning with the graduating class of 2009, students must complete the following core curriculum in high school to be eligible for the Millennium scholarship:

High School Course	Units
English	4
Math (including Algebra II)	4
Natural Science	3
Social Science and History	3
TOTAL	14

Please note that some courses on this list are approved **only** for Millennium Scholarship eligibility and **NOT** for university admission. They are clearly noted with a statement next to the course name: "for Millennium eligibility only."
