

BOARD OF REGENTS  
BRIEFING PAPER

**1. Agenda Item Title:** *Handbook* Revision, Title 4, Chapter 10, *new* Section 32  
Requiring Use of Electronic Approvals

**Meeting Date: December 5-6, 2013**

**2. BACKGROUND & POLICY CONTEXT OF ISSUE:**

Many documents continue to be circulated for handwritten signatures. This practice is inefficient and adds unnecessary costs to routine operations. However, authorization is needed to allow the use of electronic approvals in lieu of handwritten signatures. The proposed policy provides this authorization and requires the use of electronic approvals whenever possible so long as their use is consistent with, and not prohibited by, any applicable state or federal law or NSHE policy. Under the proposed policy revision, institutions must expeditiously develop procedures to implement electronic approvals and to identify, evaluate, and document where electronic approvals are required.

**3. SPECIFIC ACTIONS BEING RECOMMENDED OR REQUESTED:**

Require use of electronic approvals whenever possible so long as their use is consistent with, and not prohibited by, any applicable state or federal law or NSHE policy. Institutions shall expeditiously develop procedures to implement electronic approvals and to identify, evaluate, and document where electronic approvals are required.

**4. IMPETUS (WHY NOW?):**

Circulating documents for signature is time consuming, inefficient and costly and the practice should be revised as soon as possible.

**5. BULLET POINTS TO SUPPORT REQUEST/RECOMMENDATION:**

- Many higher education institutions already utilize electronic approvals to improve efficiency, timeliness and cost savings.
- Authorization is needed to allow NSHE to utilize electronic approvals.
- NSHE will reap efficiency and cost saving gains from adoption of the proposed policy.

**6. POTENTIAL ARGUMENTS AGAINST THE REQUEST/RECOMMENDATION:**

It is generally preferable to obtain original handwritten signatures on at least one copy of a document as such original signatures may be useful in establishing the validity of signatures in the event of a dispute.

**7. ALTERNATIVE(S) TO WHAT IS BEING REQUESTED/RECOMMENDED:**

Continue to use handwritten signatures.
