

BOARD OF REGENTS  
BRIEFING PAPER

- 1. Agenda Item Title: Financing Plan, Certificates of Participation Series 2014A Resolution for UNR E.L. Wiegand Fitness Center and TMCC Health Science Center; UNR Capital Improvement Project Promissory Note; and TMCC Capital Improvement Project Promissory Note.**
- Meeting Date: June 5-6, 2014**

**2. BACKGROUND & POLICY CONTEXT OF ISSUE:**

The University of Nevada, Reno and Truckee Meadows Community College have brought forward proposed financing plans for two projects identified as campus priorities. The projects are the UNR E.L. Wiegand Fitness Center and the TMCC Health Science Center.

The majority of the financing for the two projects listed above will be in the form of Certificates of Participation, series 2014A, in a combined maximum principal amount of \$36,250,000. Additionally, a portion of the financing for both projects requires approval of resolutions authorizing promissory notes in the amount of up to \$16 million for the UNR project and up to \$2.06 million for the TMCC project.

**3. SPECIFIC ACTIONS BEING RECOMMENDED OR REQUESTED:**

The Business and Finance Committee is being asked to approve a motion for the following five items:

1. Approval of the UNR financing plans included in exhibit A, including Certificates of Participation financing not to exceed \$31 million and promissory note financing not to exceed \$16 million for the UNR E.L. Weigand Fitness Center. (Attachment 1)
2. Approval of the TMCC financing plans included in exhibit B, including Certificates of Participation financing not to exceed \$5.25 million and promissory note financing not to exceed \$2.06 million for the TMCC Health Science Center project; contingent upon overall project approval at the Investment and Facilities Committee (Attachment 2);
3. Approval of the resolution authorizing the issuance of Certificates of Participation up to \$36.25 million for the purpose of financing, in part, the cost of the project at UNR and the project at TMCC (Attachment 3);
4. Approval of the resolution authorizing the promissory note in the maximum principal amount of \$16 million for the Weigand Fitness Center project (UNR) (Attachment 4); and
5. Approval of the resolution authorizing the promissory note in the maximum principal amount of \$2.06 million to finance the above Health Science Center project (TMCC) (Attachment 5).

**4. IMPETUS (WHY NOW?):**

Both institutions have indicated it is the appropriate time, from a campus use and financing perspective, to move forward with the two projects as described in exhibits A and B. Please see the attached reference material for project specific information on the timing and necessity.

**5. BULLET POINTS TO SUPPORT REQUEST/RECOMMENDATION:**

- Campus facility and space need requirements have made these two projects necessary,
- Both Institutions have submitted financing plans that indicate these projects are feasible, and
- The bond market and bank interest rates continue to be favorable and moving forward at this time will enable these projects to benefit from potential financing savings.

**6. POTENTIAL ARGUMENTS AGAINST THE REQUEST/RECOMMENDATION:**

- The long term obligation associated with financing of the projects may limit future campus financial flexibility.

**7. ALTERNATIVE(S) TO WHAT IS BEING REQUESTED/RECOMMENDED:**

These projects could be postponed or not completed.

**8. COMPLIANCE WITH BOARD POLICY:**

UNIVERSITY OF NEVADA, RENO

**E. L. Wiegand Fitness Center Financing Plan Proposal**

**BACKGROUND**

At the October 2013 Special Meeting of the Board of Regents, the Board approved the development of a proposed new Fitness Center to be located on the main campus of the University of Nevada, Reno. The Board also approved naming the new facility the “E. L. Wiegand Fitness Center” in recognition of the \$8 million lead donor gift from The E. L. Wiegand Foundation.

At the December 2013 Meeting of the Board of Regents, the Board approved a new student-endorsed, mandatory undergraduate fitness fee of \$15 per student per semester, commencing in the fall of 2014, to be used to help pay for the construction of the E.L. Wiegand Fitness Center. (The undergraduate fee will increase to \$45 per student per semester when the Fitness Center opens to augment operating expenses and to allow undergraduates free access to both the new Center and the Lombardi Recreation Center.)

At the March 2014 Meeting of the Board of Regents, per the Internal Revenue Code of 1986, the Board approved a resolution that would permit the reimbursement from proceeds of the planned, tax-exempt financing for certain “up-front” construction-related expenses, if any, associated with the new E. L. Wiegand Fitness Center that may be needed and advanced from institutional funds.

**FINANCING PLAN PROPOSAL**

Based on current pre-design costs, the total estimated project cost for the new E. L. Wiegand Fitness Center is \$46.3 million. A breakdown of the current project cost estimate may be found in Exhibit 1. The project will be financed through the issuance of approximately \$30.3 million in tax-exempt certificates of participation (COP’s) and \$16 million in private donor gifts and pledges.

The sources of debt service for the tax-exempt securities will be 1) student capital improvement project fees previously used to service Fire Science Academy capital debt, 2) savings from the 2013 debt refinancing, and 3) the new undergraduate fitness fee approved by the Board at the December 2013 meeting.

A summary of the proposed financing plan can be found in the table below.

**E. L. Wiegand Fitness Center  
Financing Plan Summary (Dollars in Millions)**

Estimated Total Project Cost	\$46.3
Donor Funds	\$16.0
NSHE Certificates of Participation (Debt Service from FSA and 2013 Debt Refinancing Savings)	\$21.3
NSHE Certificates of Participation (Debt Service from Board Approved New Student Fitness Fee)	\$ 9.0
Total All Sources	\$46.3

Because the \$16 million in private fundraising, primarily in the form of pledges, becomes available over time, the University is also seeking Board approval to secure a draw-down bank line-of-credit (promissory note) in

*Revised: April 2014*

an amount up to \$16 million, only to be drawn upon as needed and re-paid with donor pledges as received. Fundraising associated with the project includes an amount for any potential interest cost associated with the line.

### **CURRENT STATUS OF PROJECT**

Utilizing a competitive RFQ selection process, a joint proposal submitted by The Worth Group and Hastings Chivetta Architects was selected to provide architectural planning and design services.

At the time of this writing, a Construction Manager at Risk (CMAR) solicitation is “on the street” for the selection of the general contractor for the project. It is anticipated that a final decision regarding the general contractor will be made by May 15.

While the selection of both the architects and the general contractor should be complete by the June Board meeting, the final awarding of both contracts is subject to approval of the financing plan by the Board of Regents. With Board approval, construction documents should be completed by March 2015, the guaranteed maximum price (GMP) negotiated by May 2015, and construction should commence by June 2015 with completion in January 2017.

### **WHY NOW?**

1. The building project for the new E. L. Wiegand Fitness Center was previously reviewed and approved by the Board of Regents.
2. A new undergraduate fitness fee was previously approved by the Board that will become effective this fall semester.
3. Interest rates associated with the long-term debt securities continue to be low and very attractive.
4. The project A&E has been selected and the University is in the process of selecting the general contractor.

## Truckee Meadows Community College

### New Health Science Center Construction Proposal

#### BACKGROUND

Truckee Meadows Community College proposes to build a Health Science Center to be located at the shared UNR-TMCC Redfield Campus and renovate an adjacent building. The following is a summary of the major highlights associated with the proposed renovation. The new building will include new classrooms, a nursing lab, simulation rooms, debrief rooms, lab storage, conference space and faculty offices. The renovations to the existing building will expand the nursing library and existing nursing lab capacity, add group study rooms, a nursing computer lab and a self service food preparation area.

- Size: A 1-story, 16,500 sq. ft. facility that would be connected to the existing 34,500 sq. ft. building via a glass enclosed walkway.
- Location: The new building will be constructed on the UNR-TMCC Redfield campus approximately forty feet east of the existing TMCC building. This project is included in TMCC's 2014 facilities master plan.
- Estimated Cost: The total project cost for the new building and existing building renovation, based upon initial pre-design services, is estimated to be approximately \$10 million.
- Financing Plan: The current financing plan for the estimated \$10 million building is comprised of \$2 million in capital improvement fees, a \$2 million pledge from the Nell J. Redfield Foundation (\$1 million has been received by the TMCC Foundation), a \$1 million pledge from the Herb and Maxine Jacobs Foundation (\$333,334 has been received by the TMCC Foundation) and the balance of \$5 million in Certificates of Participation. Since the pledges are payable over three years, the College is requesting a short-term bank note to cover the donor funds needed to complete the project. Additionally, the College continues to seek community support for the project. Most recently an anonymous donor has pledged a \$300,000 gift of securities (which has been sold by the TMCC Foundation) and a \$10,000 cash gift from Dr. Claudia Hoffer in support of this project that could assist with financing and construction costs.

#### TMCC Health Science Center Project

##### Financing Plan Summary (Dollars in Millions)

Certificates of Participation	\$ 5.0
Capital Improvement Fee	2.0
Nell J. Redfield Foundation	2.0
Herb and Maxine Jacobs Foundation	1.0
<b>TOTAL</b>	<b>\$10.0</b>

- Schedule: Pending Board approval, construction of the new building and renovation of the existing building is expected to commence in the late fall of 2014 with completion projected in time for the fall semester of 2015. Staff is working with occupants of the existing building to minimize disruption of operations during construction.

## **REASONS FOR THE PROJECT**

The proposed new building and the renovation of the High Tech Center will provide TMCC with the state of the art Health Science Center at Redfield. The Center will:

- Comply with the nursing accreditation agency's strong recommendation to co-locate on one campus the currently split Maxine S. Jacobs Nursing Program that is housed both at the Redfield and Dandini Campuses.
- Provide the necessary instructional space to increase the number of baccalaureate trained nurses (in partnership with Nevada State College.)
- Increase the number of Certified Nursing Assistants trained annually.
- Utilize the most up-to-date simulation equipment to offset a portion of the hours in the required clinical rotations.
- Improve the library holdings and significantly increase the library space.
- Provide students enrolled in nursing, certified nursing assistant and veterinary technology programs, general education courses, so that students can complete their entire nursing and veterinary technology degree programs at the Redfield Campus

## **WHY NOW?**

TMCC's Maxine S. Jacobs Nursing Program continues to be a leader in Nevada's higher education system based on national examination scores, with 128 new freshman nurses enrolling each year and 100% of TMCC nursing graduates passing the national examination and finding employment within six months. The College is committed to continuing the success of this flagship program and to addressing the significant changes in the future of Nevada's health care industry. To this end, TMCC has already begun addressing employer identified training needs for baccalaureate trained nurses by creating a "2 + 2" fully articulated, dual enrollment program for TMCC graduates with Nevada State College (NSC). TMCC graduates would also be eligible to enroll in the University of Nevada, Reno and Great Basin College nursing programs, but these programs have limited availability at this time.

To continue this trend of nimbly responding to changing industry needs, TMCC must invest in new spaces specifically designed to accommodate the shifting demand. Through in-depth research on nursing workforce supply and demand projections combined with recommendations from the 2012 TMCC nursing accrediting report, TMCC anticipates the need to increase the number of healthcare professionals that it graduates, and to also make provisions for changing employer expectations and educational needs.

- Nevada expects a 23% deficit in the number of available Registered Nurses by 2015, and a 28% deficit by 2020. By 2020, Nevada is expected to have a shortage of 4,486 nurses, and Governor Sandoval has stated that by 2018, Nevada will need up to 8,000 new health care workers. The graying of the nursing workforce—the average age of working nurses is 56-years-old—exacerbates the shortage as over the next two decades the industry faces a mass exodus of retiring nurses.
- With an increase in nursing students, the availability of program-mandated clinical rotation slots at local hospitals will not meet TMCC's student demand for open slots.
- TMCC's nursing accrediting commission—the National League for Nursing Accrediting Commission—charged TMCC with consolidating the location of the nursing program (currently instruction takes place at both the Dandini Campus and the High Tech Center at Redfield.) Additionally, we have been tasked with increasing library holdings and faculty's use of technology. The renovation and expansion of the facilities will ensure that nursing students can take every required class at the Redfield Campus.

## **SUPPORT FOR THE REQUEST/RECOMMENDATION**

### *TMCC Health Sciences Center*

- A 16,500 square foot Health Science Center that is directly connected to the existing 34,500 square foot High Tech Center at the Redfield Campus

- A 4,200 square foot high-tech nursing lab with four technologically advanced instructional simulation rooms and two debrief rooms for faculty-student review
- Faculty offices and support spaces for all nursing faculty and staff
- Two 40-person classrooms
- Dedicated lab storage and student dressing/locker room to support the new nursing lab

#### *Renovations to High Tech Center*

TMCC's High Tech Center at the Redfield Campus currently houses a nursing lab, general instructional spaces used by the nursing students, and a small nursing library among other classrooms and labs restricted for other TMCC programs. The High Tech Center at Redfield will be renovated to better support the nursing program's primary presence at this site, as well as to reduce the costs of the new building by taking advantage of adjacent, existing student support spaces.

#### Proposed renovations

- Convert half of the existing open computer lab into a library to meet accrediting agency requirements.
- Renovate the existing nursing library to create a quiet study zone and a microbiology prep lab. Adding microbiology capability will ensure that nursing students can take every required class on the Redfield Campus.
- Modify a general classroom to create a dedicated computer lab. Nursing students need access to a dedicated computer lab for testing, assessments, and online modules.
- Upgrade the existing nursing lab to also accommodate Certified Nursing Assistant instruction, which is a required prerequisite for the nursing program.

Section 2.02. Maturity Dates and Interest Rates of 2014 Certificates. The 2014 Certificates shall be dated as of the date of delivery thereof and shall bear interest from such date to maturity at the rates per annum shown on Exhibit D attached hereto computed on the basis of a 360 day year of twelve 30 day months, payable semiannually on each Interest Payment Date; except that 2014 Certificates which are reissued upon transfer, exchange or other replacement shall bear interest from the most recent Interest Payment Date to which interest has been paid, or if no interest has been paid, from the date of the 2014 Certificates.

The 2014 Certificates shall mature on the dates and in the amounts as set forth in the Exhibit D attached hereto.

Section 2.03. Form of 2014 Certificates. The 2014 Certificates shall be substantially in the form set forth in Exhibit C to this Indenture (provided that any portion of the 2014 Certificates text may, with appropriate reference, be printed on the back of the 2014 Certificates), with such appropriate variations, omissions and insertions as may be required by the circumstances, or as may be permitted or required hereby. Temporary 2014 Certificates may be executed and delivered pending the preparation of 2014 Certificates in definitive form.

Section 2.04. Execution and Delivery of the Certificates; Disposition of Proceeds. The Certificates shall be deliverable only as fully registered Certificates in Authorized Denominations (provided that no Certificate may be in a denomination which exceeds the principal coming due on any maturity date and no individual Certificate may be executed and delivered for more than one maturity). The Certificates shall be numbered in such manner as shall be determined by the Trustee. Upon the execution and delivery of this Indenture, the Trustee shall execute and deliver the 2014 Certificates to or upon the direction of the Initial Purchaser as hereinafter provided in this Section, provided that:

(a) Prior to the delivery by the Trustee of any of the 2014 Certificates, there shall be filed with the Trustee an originally executed counterpart of this Indenture and a copy of the resolution adopted by the Board approving this Indenture.

(b) Thereupon, the Trustee shall deliver the 2014 Certificates to or upon the direction of the Initial Purchaser upon payment to the Trustee of the purchase price of \$\_\_\_\_\_ (consisting of the principal amount of the 2014 Certificates of \$[par], plus net original issue premium of \$\_\_\_\_\_, and less the discount of the Initial Purchaser of \$\_\_\_\_\_), which sum shall be deposited into the Project Account which shall be applied solely to the payment of Project Costs financed by the 2014 Certificates, including to pay costs of issuance of the 2014 Certificates.

Section 2.05. Terms of Certificates; Principal and Interest Payments on Certificates. The principal of and premium, if any, on any Certificate shall be payable to the registered owner thereof as shown on the registration records of the Trustee upon maturity or prior redemption thereof and upon presentation and surrender at the principal corporate trust or principal operations office of the Trustee. Payment of interest on the Certificates shall be made on each Interest Payment Date (or, if such Interest Payment Date is not a business day, on the next succeeding business day), by check of the Trustee mailed to the registered owner thereof at his or her address as it last appears on the registration records of the Trustee at the close of business on the Record Date. Any such interest not so timely paid shall cease to be payable to the Person who is the registered owner thereof at the close of business on the Record Date and shall be payable to the Person who is the registered owner thereof at the close of business on a Special Record Date for the payment of such defaulted interest. Such Special Record Date shall be fixed by the Trustee whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given by the Trustee to the registered owners of the Certificates, not less than ten days prior to the Special Record Date, by first-class mail to each such registered owner as shown on the Trustee's registration records on a date selected by the Trustee, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. Alternative means of payment of interest may be used if mutually agreed to between the registered owner of any Certificate and the Trustee. If the principal of any Certificate is not paid on the maturity date thereof, interest on the unpaid principal shall continue to accrue at the interest rate borne by said Certificate until such principal shall have been paid in full.

All payments of principal and interest on the Certificates shall be payable in lawful money of the United States of America, without deduction for exchange or collection charges.

Section 2.06. Redemption.

(a) Each series of the 2014 Certificates, maturing on and after July 1, 2025 shall be subject to redemption prior to their respective maturities, at the option of the System on and after July 1, 2024, in whole or in part at any time at a price equal to the principal amount of the Outstanding 2014 Certificates so redeemed plus accrued interest thereon to the redemption date, without premium.

(b) The 2014 Certificates maturing July 1, 20\_\_ and July 1, 20\_\_, are subject to mandatory sinking fund redemption at a price equal to the principal amount thereof plus accrued interest to the redemption date. The 2014 Certificates of a maturity subject to mandatory sinking fund redemption shall be selected by lot in such manner as the Trustee shall determine.

The following principal amounts of the 2014 Certificates maturing July 1, 20\_\_, shall be subject to mandatory sinking fund redemption (after credit as provided below) on the following dates:

Date	Principal Amount
July 1, 20__	\$ __,000
July 1, 20_*	__,000

\*Maturity Date

The following principal amounts of the 2014 Certificates maturing July 1, 20\_\_, shall be subject to mandatory sinking fund redemption (after credit as provided below) on the following dates:

Date	Principal Amount
July 1, 20__	\$ __,000
July 1, 20__	__,000
July 1, 20_*	__,000

\*Maturity Date

(c) On or before the thirtieth day prior to each such sinking fund payment date, the Trustee shall proceed to call the 2014 Certificates indicated above (or any 2014 Certificate or Certificates issued to replace such 2014 Certificates) for redemption from the sinking fund on the next July 1, as the case may be, and give notice of such call without other instruction or notice from the System. The amount of each sinking fund installment may be reduced by the principal amount of any 2014 Certificates of the maturity which is subject to sinking fund redemption on such date and which prior to such date have been redeemed (otherwise than through the operation of the sinking fund) or otherwise canceled and not theretofore applied as a credit against a sinking fund installment. Such reductions, if any, shall be applied in such year or years as may be determined by the System.

A portion of any 2014 Certificate may be redeemed pursuant to the provisions of (b) or (c) above, in which case the Trustee shall, without charge to the Owner of such Certificate, execute and deliver a replacement 2014 Certificate or Certificates of the same maturity and of an Authorized Denomination.

(d) In the case of Certificates of a denomination of \$5,000 or larger, a portion of such Certificates (\$5,000 or any integral multiple thereof) may be redeemed pursuant to subsection (a) of this section, in which case the Trustee, except as otherwise provided in this Indenture, shall, without charge to the owner of such Certificate, authenticate and issue a replacement Certificate or Certificates for the unredeemed portion thereof. In the case of a partial redemption of Certificates of a single maturity pursuant to subsection (a) of this section, the Trustee shall select the Certificates to be redeemed by lot at such time as directed by a System Representative (but at least 30 days prior to the Redemption Date), and if such selection is more than 60 days before a Redemption Date, shall direct the Trustee to appropriately identify the Certificates so called for redemption by stamping them at the time any Certificate so selected

for redemption is presented to the Trustee for stamping or for transfer or exchange, or by such other method of identification as is deemed adequate by the Trustee, and any Certificate or Certificates issued in exchange for, or to replace, any Certificate so called for prior redemption shall likewise be stamped or otherwise identified. Upon the partial redemption of any Certificates pursuant subsection (a) of this section, the Trustee shall notify the System in writing of the Certificates selected for partial redemption by lot and the System Representative shall deliver an amended schedule of Base Payments to be attached hereto as Exhibit B to the Trustee and the Certificate Insurer to reflect the payment of a portion of the Certificates that have been redeemed.

Section 2.07. Notice of Redemption. Notice of the call for any redemption, identifying the Certificates or portions thereof to be redeemed and specifying the terms of such redemption, shall be given by the Trustee, upon being satisfactorily indemnified as to expenses, by mailing a copy of the redemption notice by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the registered owner of each Certificate to be redeemed at the address shown on the registration records; provided however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of Certificates as to which no such failure has occurred. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. Notwithstanding the provisions of this section, any notice of redemption may contain a statement that the redemption is conditioned upon the receipt by the Trustee of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Certificates so called for redemption, and that if such funds are not available, such redemption shall be canceled by written notice to the owners of the Certificates called for redemption in the same manner as the original redemption notice was mailed.

Section 2.08. Redemption Payments. Prior to the date fixed for redemption, funds shall be deposited with the Trustee to pay, and the Trustee is hereby authorized and directed to apply such funds to the payment of, the Certificates called, together with accrued interest thereon to the redemption date and any required premium. Upon the giving of notice and the deposit of such funds as may be available for redemption pursuant to this Indenture, interest on the Certificates or portions thereof thus called shall no longer accrue after the date fixed for redemption.

Section 2.09. Cancellation of Redeemed Certificates. All Certificates which have been redeemed shall not be reissued but shall be canceled or otherwise destroyed by the Trustee in accordance with Section 2.15 hereof.

Section 2.10. Limited Certificate. Each Certificate shall represent assignments of the right to receive Revenues hereunder. The Certificates are payable solely from Revenues as, when and if the same are received by the Trustee, from amounts on deposit in the Certificate Fund and from payments made by under any Certificate Insurance Policy. The Revenues are to be held in trust by the Trustee for such purposes in the manner and to the extent provided herein. The Certificates shall not constitute or give rise to a general obligation or other indebtedness of the State or a general obligation of the System within the meaning of any constitutional, statutory or debt limitation. Neither this Indenture nor the Certificates shall constitute a general obligation of the System, and the System shall have no obligation with respect to the Certificates except to

the extent of its assignment of the Trust Estate to the Trustee pursuant to this Indenture; and this Indenture shall not create any pecuniary liability on the part of the directors or officers of the System. No provision of the Certificates or this Indenture shall be construed or interpreted (a) to require the System to make an appropriation; or (b) as a delegation of governmental powers by the System.

Section 2.11. Execution of the Certificates. The manual signature of a duly authorized officer or employee of the Trustee shall appear on each Certificate. Any Certificate shall be deemed to have been executed by a duly authorized representative of the Trustee if signed by the Trustee Representative, but it shall not be necessary that the same officer or employee of the Trustee sign all of the Certificates issued hereunder. In case any officer or employee of the Trustee whose signature shall appear on the Certificates shall cease to be such officer or employee before delivery of the Certificates, such signature shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained an officer or employee until delivery.

Section 2.12. Effect of Execution. No Certificate shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until executed in the manner prescribed by Section 2.11 of this Indenture, and such execution of any Certificate shall be conclusive evidence that such Certificate has been properly issued and delivered hereunder.

Section 2.13. Mutilated, Lost, Stolen or Destroyed Certificates. In the event that any Certificate is mutilated, lost, stolen or destroyed, a new Certificate may be executed on behalf of the Trustee, of like series, date, maturity, tenor and Authorized Denomination as that mutilated, lost, stolen or destroyed; provided that the Trustee shall have received such evidence, information or indemnity from the Owner of the Certificate as the Trustee may reasonably require, and provided further, in case of any mutilated Certificate, that such mutilated Certificate shall first be surrendered to the Trustee. In the event that any such Certificate shall have matured or been called for redemption or is about to mature or be called for redemption, instead of issuing a duplicate Certificate, the Trustee may pay the same without surrender thereof. The Trustee may charge the Owner of the Certificate with its reasonable fees and expenses in this connection.

Section 2.14. Registration, Transfer and Exchange of Certificates; Persons Treated as Owners.

(a) (1) Records for the registration and transfer of Certificates shall be kept by the Trustee which is hereby appointed the registrar and transfer agent for the Certificates. The principal of and interest with respect to any Certificate shall be payable only to or upon the order of the Owner or his legal representative (except as otherwise herein provided with respect to Record Dates and Special Record Dates for the payment of interest). Upon surrender for transfer of any Certificate at the principal corporate trust office of the Trustee, duly endorsed for transfer or accompanied by an assignment duly executed by the Owner or his attorney duly authorized in writing, the Trustee shall enter such transfer on the registration records and shall execute and deliver in the name of the transferee or transferees a new fully registered Certificate or Certificates of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned.

(2) Fully registered Certificates may be exchanged at the office designated by the Trustee for an equal aggregate principal amount of fully registered Certificates of the same maturity of other Authorized Denominations. The Trustee shall execute and deliver Certificates which the Owner making the exchange is entitled to receive, bearing numbers not previously assigned.

(3) The Trustee may require the payment, by the Owner of any Certificate requesting exchange or transfer, of any reasonable charges as well as any taxes, transfer fees or other governmental charges required to be paid with respect to such exchange or transfer.

(4) The Trustee shall not be required to transfer or exchange (i) all or any portion of any Certificate during the period beginning at the opening of business 15 days before the day of the mailing by the Trustee of notice calling any Certificates for prior prepayment and ending at the close of business on the day of such mailing, or (ii) all or any portion of a Certificate after the mailing of notice calling such Certificate or any portion thereof for prior prepayment.

(b) Notwithstanding the foregoing provisions of subsections (a) hereof, the Certificates shall initially be evidenced by one Certificate for each maturity of the Certificates in Authorized Denominations equal to the aggregate principal amount of the Certificates maturing on such date and shall be initially delivered and registered as set forth in Section 2.17 hereof.

(c) Except as otherwise provided herein with respect to Record Dates and Special Record Dates for the payment of interest, the person in whose name any Certificate shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or interest with respect to any Certificate shall be made only to or upon the written order of the Owner thereof or his legal representative, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge such Certificate to the extent of the sum or sums paid.

Section 2.15. Cancellation of Certificates. Whenever any Outstanding Certificates shall be delivered to the Trustee for cancellation pursuant to this Indenture, upon payment thereof or for or after replacement pursuant to Section 2.13 or 2.14 of this Indenture, such Certificates shall be promptly canceled and destroyed by the Trustee, and counterparts of a certificate of destruction evidencing such destruction shall be furnished by the Trustee to the System.

Section 2.16. Negotiability. Subject to the registration provisions hereof, the Certificates shall be fully negotiable and shall have all the qualities of negotiable paper, and the Owner or Owners thereof shall possess all rights enjoyed by the holders or owners of negotiable instruments under the provisions of the Uniform Commercial Code-Investment Securities. The principal of and interest on the Certificates shall be paid, and the Certificates shall be transferable, free from and without regard to any equities, set-offs or cross-claims between or among the System, the Trustee and the original or any intermediate Owner of any Certificates.

Section 2.17. Book Entry.

(a) Notwithstanding any contrary provision of this Indenture, each separate series of Certificates shall initially be evidenced by one Certificate for each maturity in Authorized Denominations equal to the aggregate principal amount of the Certificates for that maturity within that series. Such initially delivered Certificates shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company, the securities depository for the Certificates. The Certificates may not thereafter be transferred or exchanged except:

(1) to any successor of The Depository Trust Company or its nominee, which successor must be a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended; or

(2) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or this clause (2) of this paragraph (a), or a determination by the System that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the designation by the System of another depository institution acceptable to the System and to the depository then holding the Certificates, which new depository institution must be a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of The Depository Trust Company or such successor or new depository; or

(3) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or clause (2) of this paragraph (a), or a determination of the System that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the failure by the System, after reasonable investigation, to locate another qualified depository institution under clause (2) to carry out such depository functions.

(b) In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) of paragraph (a) hereof or designation of a new depository pursuant to clause (2) of paragraph (a) hereof, upon receipt of the Outstanding Certificates by the Trustee, together with written instructions for transfer satisfactory to the Trustee, a new Certificate for each maturity of each series of the Certificates then Outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of paragraph (a) hereof and the failure after reasonable investigation to locate another qualified depository institution for the Certificates as provided in clause (3) of paragraph (a) hereof, and upon receipt of the Outstanding Certificates by the Trustee, together with written instructions for transfer satisfactory to the Trustee, new Certificates shall be issued in Authorized Denominations, as provided in and subject to the limitations of Section 2.15 of this Indenture, registered in the names of such Persons, and in such Authorized Denominations as are requested in such written transfer instructions; provided however, the Trustee shall not be required to deliver such new Certificates within a period of less than 60 days from the date of receipt of such written transfer instructions.

(c) The System and the Trustee shall be entitled to treat the registered owner of any Certificate as the absolute Owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by them and the System and the Trustee shall have no responsibility for transmitting payments to the beneficial owners of the Certificates held by The Depository Trust Company or any successor or new depository named pursuant to paragraph (a) hereof.

(d) The System and the Trustee shall endeavor to cooperate with The Depository Trust Company or any successor or new depository named pursuant to clause (1) or (2) of paragraph (a) hereof in effectuating payment of the principal amount of the Certificates upon maturity or prior redemption by arranging for payment in such a manner that funds representing such payments are available to the depository on the date they are due.

(e) Upon any partial redemption of any maturity of the Certificates, Cede & Co. (or its successor) in its discretion may request the System to issue and authenticate a new Certificate or shall make an appropriate notation on the Certificates indicating the date and amount of prepayment, except in the case of final maturity, in which case the Certificates must be presented to the Trustee prior to payment.

### ARTICLE III

#### REVENUES AND FUNDS

Section 3.01. Source of Payment of Certificates. All payments by the System under this Indenture are payable from any monies of the System legally available for the purpose of making such payment, and the System hereby covenants to make sufficient provision annually in its budget to pay the Base Payments and reasonably estimated Additional Payments when due. The Certificates do not constitute a debt or indebtedness of the State of Nevada or a charge against the State's credit or taxing power. The Certificates represent assignments of the right to receive Revenues hereunder. The Certificates shall be payable solely from Revenues received by the Trustee, amounts on deposit in the Certificate Fund, from amounts paid under the Certificate Insurance Policy, and do not constitute a general obligation of the System within the meaning of any constitutional or statutory debt limitation. Revenues, when, as, and if received by the Trustee, shall be held under this Indenture for payment of the principal of, premium, if any, and interest on the Certificates as provided in this Indenture.

Section 3.02. The Certificate Fund. A special fund is hereby created and established with the Trustee, to be designated "Nevada System of Higher Education, Certificate of Participation Fund" (the "Certificate Fund"), which shall be used to pay the principal of and interest on the Certificates. Within the Certificate Fund there are hereby created and ordered established an Interest Account and a Principal Account, as follows:

(a) There shall be deposited into the Interest Account of the Certificate Fund (i) that portion of each payment of Base Payments which is designated in Exhibit B hereto, as it may be amended, and paid by the System as interest on the 2014 Certificates; and (ii) all other moneys received by the Trustee under this Indenture accompanied by directions from the System that such moneys are to be deposited into the Interest Account of the Certificate Fund.

(b) There shall be deposited into the Principal Account of the Certificate Fund (i) that portion of each payment of Base Payments which is designated in Exhibit B hereto, as it may be amended, and paid by the System as principal on the 2014 Certificates; and (ii) all other moneys received by the Trustee under this Indenture accompanied by directions from the System that such moneys are to be deposited into the Principal Account of the Certificate Fund.

Moneys held in the Certificate Fund shall be invested and reinvested in accordance with Article IV of this Indenture. Moneys in the Interest Account of the Certificate Fund shall be used solely for the payment of the interest on the 2014 Certificates, except to the extent that moneys may be deposited in the Rebate Account. Moneys in the Principal Account of the Certificate Fund shall be used solely for the payment of the principal of the 2014 Certificates, except to the extent that moneys may be deposited in the Rebate Account. In the event the Certificates are to be redeemed in whole pursuant to Section 2.06 of this Indenture, any moneys remaining in the Certificate Fund shall be applied to such redemption along with other moneys held by the Trustee for such purpose.

The Certificate Fund shall be in the custody of the Trustee. The Trustee shall withdraw sufficient funds from the Certificate Fund to pay the principal of and interest on the Certificates as the same become due and payable, which responsibility, to the extent of the moneys therein, the Trustee hereby accepts.

Section 3.03. The Rebate Account. A special fund is hereby created and established with the Trustee to be designated "Nevada System of Higher Education, Certificates of Participation, Series 2014A, Rebate Account" (the "Rebate Account"). There shall be deposited into the Rebate Account investment income on moneys in any fund created hereunder (except any defeasance escrows pursuant to Article V hereof), to the extent provided in the direction of the System pursuant to Section 9.01 hereunder and subject to the limitations in Section 4.01 hereof, moneys transferred to the Rebate Account from any other fund created hereunder pursuant to the provisions of this Section, and all other moneys received by the Trustee when accompanied by directions not inconsistent with this Indenture that such moneys are to be paid into the Rebate Account. In order to ensure that the moneys on deposit in the Rebate Account will be sufficient to fulfill the System's rebate obligation even if this Indenture has been terminated, the Trustee agrees that annually on December 31 of each year for any investment income credited to any fund created hereunder (except defeasance escrows pursuant to Article V hereof), it shall request the System to determine the difference, if any, between the yield on the investment and the yield on the Certificates (as determined pursuant to the Tax Certificate) and the Trustee, upon being informed of such difference, shall transfer such amount, if any, to the appropriate account of the Rebate Account. The transfer referred to in the foregoing sentence shall take place before any investment income is used for any other purpose under this Indenture. The Trustee shall cause amounts on deposit in the Rebate Account to be forwarded to the United States Treasury (at the address provided in the Tax Certificate) at the times and in the amounts set forth in the System direction pursuant to Section 9.01 hereunder. Amounts on deposit in the Rebate Account shall not be subject to the lien of this Indenture to the extent that such amounts are required to be paid to the United States Treasury.

If, upon receipt of the certification pursuant to Section 9.01 hereunder, the moneys on deposit in the Rebate Account are insufficient for the purposes thereof, the Trustee

may transfer moneys to the Rebate Account from the following funds in the following order of priority: the Principal Account of the Certificate Fund and the Interest Account of the Certificate Fund. Any moneys so advanced shall be included in the System's estimates of Additional Payments for the ensuing Fiscal Year pursuant to Section 1.05 hereof. Upon receipt by the Trustee of an opinion of nationally recognized municipal bond counsel acceptable to the Trustee to the effect that the amount in the Rebate Account is in excess of the amount required to be therein pursuant to the provisions of the Tax Certificate, such excess shall be transferred to the Interest Account of the Certificate Fund.

Section 3.04. The Project Account. A special fund is hereby created and held by the System to be designated "Nevada System of Higher Education, Certificates of Participation, Series 2014, Project Account" (the "Project Account"). The System establish such additional accounts within the Project Account or such subaccounts within any of the existing or any future accounts of the Project Account as may be necessary or desirable. So long as no Event of Default shall have occurred hereunder, moneys held in the Project Account shall be disbursed by the System to pay Project Costs. If an Event of Default shall have occurred hereunder, the System shall either disburse moneys held in the Project Account as provided in the preceding sentence or apply such moneys as provided in Article VI hereof.

Upon the Completion Date, the remaining proceeds of the 2014 Certificates issued to finance the Project, and any earnings thereon, then held in the Project Account, minus any amount estimated by the System Representative to be necessary to pay Project Costs relating to such Project financed by the 2014 Certificates, shall be transferred by the System to the account in the Certificate Fund specified by the System and if none, to the Interest Account of the Certificate Fund.

Investment earnings on moneys in the Project Account shall be deposited into the Rebate Account and to the extent not needed therefore, shall remain in the Project Account and be applied as provided in the preceding paragraph.

Section 3.05. Unclaimed Funds. Any funds deposited with the Trustee by the System in accordance with the terms and covenants of this Indenture, in order to redeem or pay the Certificates in accordance with the provisions of this Indenture, and remaining unclaimed by the owners of the Certificates after the date fixed for redemption or maturity, shall be escheated to the appropriate state in accordance with a particular state's escheatment laws and thereafter the owners of the Certificates shall be entitled to look only to the state to whom such funds were escheated for payment thereof. The Trustee shall maintain records of any escheated funds.

Section 3.06. Moneys to be Held in Trust. The ownership of the Certificate Fund and any other fund or account created hereunder shall be held by the Trustee for the benefit of the Certificate Owners as specified in this Indenture; provided, however, that, moneys in the Project Account shall be held by the System for the Project and moneys in the Rebate Account and in any defeasance escrows established pursuant to Article V hereof shall be used only for the specific purposes provided in this Indenture in connection therewith.

Section 3.07. Repayment to the System from the Trustee. After payment in full of the Certificates, the interest thereon, any premium thereon, the fees, charges and expenses of

the Trustee and all other amounts required to be paid hereunder, any amounts remaining in the Certificate Fund or otherwise held by the Trustee pursuant hereto (but excluding the Rebate Account and defeasance escrows established pursuant to Article V hereof) shall be paid to the System as a return of an overpayment of Base Payments.

#### ARTICLE IV

#### INVESTMENTS

Section 4.01. Investment of Moneys. All moneys held as part of the Certificate Fund, the Rebate Account or any other fund or account created hereunder (except any defeasance escrow pursuant to Article V hereof) shall be deposited or invested and reinvested by the Trustee, at the written direction of the System, in Permitted Investments; provided, however, that the Trustee shall make no deposits or investments of any fund or account created hereunder which shall interfere with or prevent withdrawals for payment of the Certificates at or before maturity or interest thereon as required hereunder. Any and all such deposits or investments shall be held by or under the control of the Trustee. The Trustee may make any and all such deposits or investments through its own bond department or the bond department of any bank or trust company under common control with the Trustee. All moneys held as part of the Project Account shall be deposited or invested and reinvested by the System in Permitted Investments. Subject to the transfer of certain investment income pursuant to Section 3.03, deposits or investments shall at all times be a part of and remain in the fund or account from which the moneys used to acquire such deposits or investments have come, and all income and profits on such deposits or investments shall be credited to, and losses thereon shall be charged against, such fund or account. Pursuant to Section 3.03 hereof, certain interest or other gain from any fund created hereunder (except any defeasance escrows pursuant to Article V hereof) shall be deposited in the Rebate Account and other such interest or gain shall be deposited in the Rebate Account to the extent directed by the System pursuant to Section 9.01 hereunder; but no such transfer shall be made if such transfer would cause the amount then on deposit in such fund to be less than required by the provisions of this Indenture, unless the Trustee consents to such transfer. The Trustee shall sell and reduce to cash a sufficient amount of such deposits or investments whenever the cash balance in the Certificate Fund is insufficient to pay the principal of and interest on the Certificates when due, or whenever the cash balance in any other fund or account created hereunder is insufficient to satisfy the purposes of such fund or account.

#### ARTICLE V

#### DISCHARGE OF INDENTURE

Section 5.01. Discharge of this Indenture. If, when the Certificates issued hereunder shall become due and payable in accordance with their terms or otherwise as provided in this Indenture, the whole amount of the principal of, premium, if any, and interest due and payable upon all of the Certificates shall be paid (or, in the case of redemption of the Certificates pursuant to Section 2.06 of this Indenture, if payment of an amount less than the aggregate principal amount of the Certificates Outstanding plus accrued interest thereon to the redemption date is made as provided in Section 2.06 of this Indenture), or provision shall have been made for the payment of the same, together with all other sums payable hereunder, then the right, title and

interest of the Trustee in and to the Trust Estate and all covenants, agreements and other obligations of the System to the Trustee and the Certificate Owners shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee and the System shall transfer and convey to the System or to its order all property assigned or pledged to the Trustee by the System then held by the System or by the Trustee pursuant to this Indenture, and the System and the Trustee shall execute such documents as may be reasonably required by the System and shall turn over to the System any surplus in any fund created under this Indenture.

Any Outstanding Certificate shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in this Section if (i) in case said Certificate is to be redeemed on any date prior to its maturity, the System shall have given to the Trustee in form satisfactory to the Trustee irrevocable instructions to give notice of redemption of such Certificate on said redemption date, such notice to be given on a date and otherwise in accordance with the provisions of Section 2.07 hereof, (ii) there shall have been deposited in trust either moneys in an amount which shall be sufficient, or Federal Securities the principal of and the interest on which when due, and without any reinvestment thereof, will provide moneys which, together with the moneys, if any, deposited with or held in trust at the same time, shall be sufficient to pay when due the principal of, premium, if any, and interest due and to become due on said Certificate on and prior to the redemption date or maturity date thereof, as the case may be, and (iii) in the event said Certificate is not by its terms subject to redemption within the next 60 days, the System shall have given the Trustee in form satisfactory to it irrevocable instructions to give, as soon as practicable in the same manner as the notice of redemption is given pursuant to Section 2.07 hereof, a notice to the Owner of such Certificate that the deposit required by (ii) above has been made in trust and that said Certificate is deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of, premium, if any, and interest on said Certificate. Neither the Federal Securities nor moneys deposited in trust pursuant to this Section or principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, premium, if any, and interest on said Certificate; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee, if not then needed for such purpose, may be reinvested in Federal Securities maturing at the times and in amounts sufficient to pay when due the principal of, premium, if any, and interest to become due on the Certificate on or prior to such redemption date or maturity date thereof, as the case may be. At such time as any Certificate shall be deemed paid as aforesaid, such Certificate shall no longer be secured by or entitled to the benefits of this Indenture, except for the purpose of exchange and transfer and any payment from such moneys or Federal Securities deposited in trust.

Notwithstanding the foregoing, in the event that the principal and/or interest of the Certificates shall be paid by the Certificate Insurer pursuant to the Certificate Insurance Policy, the Certificates shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not considered to be paid under this Indenture, and the assignment and pledge contained in this Indenture and all covenants, agreements and other obligations under this Indenture shall continue to exist and shall run to the benefit of the Certificate Insurer, and the Certificate Insurer shall be subrogated to the rights of the registered owners.

The discharge of this Indenture pursuant to this Section shall be without prejudice to the rights of the Trustee to be paid reasonable compensation for all services rendered by it hereunder and all its reasonable expenses, charges and other disbursements incurred with respect to the administration of the trust hereby created and the performance of its powers and duties hereunder.

In the event that there is a defeasance of only part of the Certificates of any maturity, the Trustee shall, if requested by the System, institute a system to preserve the identity of the individual Certificates or portions thereof so defeased, regardless of changes in Certificate numbers attributable to transfers and exchanges of Certificates; and the Trustee shall be entitled to reasonable compensation and reimbursement of expenses from the System in connection with such system as Additional Payments hereunder.

## ARTICLE VI

### DEFAULTS AND REMEDIES

Section 6.01. Events of Default. If any of the following events occur it is hereby defined as and shall be deemed an Event of Default:

(a) Default by the System in the payment of any Base Payments required to be paid under Section 1.05 of this Indenture when the same shall become due and payable.

(b) Failure by the System to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in (a) but including any default in the payment of any Additional Payments then due and payable, for a period of 45 days after written notice, specifying such failure and requesting that it be remedied, shall be given to the System by the Trustee, unless the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, that if the failure stated in the notice cannot be corrected within the applicable period, the Trustee shall not unreasonably withhold its consent to an extension of such time if corrective action shall be instituted by the System within the applicable period and diligently pursued until the default is corrected.

Section 6.02. Remedies on Default.

(a) If an Event of Default shall have occurred hereunder, then

(1) the registered owner may proceed against the System to protect and enforce all of its rights hereunder by mandamus or by other suit, action or special proceeding in law or in equity in any court of competent jurisdiction for the specific performance of the covenants and agreements of the System hereunder;

(2) the Owners may exercise such other remedies available to it at law or in equity.

(b) Upon the occurrence of an Event of Default, the Trustee may and shall at the request of the Owners of a majority in aggregate principal amount of the Certificates then

Outstanding, without any further demand or notice, take one or any combination of the following remedial steps:

(1) Take whatever action at law or in equity which appears necessary or desirable to enforce its rights in and to the Revenues under this Indenture.

(2) The Trustee shall also be entitled, upon any Event of Default, to any moneys in any funds or accounts created hereunder (other than the Rebate Account or any escrow accounts established pursuant to Article V hereof) for the benefit of the Certificate Owners.

No right or remedy is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

If any Event of Default shall have occurred, if requested by the Owners of a majority in aggregate principal amount of Certificates then Outstanding and if the Trustee is indemnified as provided in Section 7.01(m) hereof, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Section as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Certificate Owners.

Section 6.03. Majority of Certificate Owners May Control Proceedings. Anything in this Indenture to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Certificates then Outstanding, shall have the right, at any time, to the extent permitted by law, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver, and any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions hereof. The Trustee shall not be required to act on any direction given to it pursuant to this Section until the indemnity described in Section 7.01(m) of this Indenture is furnished to it by such Certificate Owners.

Section 6.04. Rights and Remedies of Certificate Owners. No Certificate Owner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in Section 7.01(h) hereof, or of which by said Section it is deemed to have notice, nor unless such default shall have become an Event of Default and the Owners of a majority in aggregate principal amount of Certificates then Outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceedings in its own name, nor unless they have also offered to the Trustee indemnity as provided in Section 7.01(m) hereof nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its own name; and such notification, request, offer of indemnity and consent or default are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment

of a receiver or for any other remedy hereunder; it being understood and intended that no one or more Certificate Owners shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by his, her, its or their action or to enforce any right hereunder except in the manner herein provided and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Owners of all Certificates then Outstanding. Nothing contained in this Indenture shall, however, affect or impair the right of any Certificate Owner to enforce the payment of the principal of, premium, if any, or interest on any Certificate at and after the maturity thereof.

Section 6.05. Trustee May Enforce Rights Without Certificates. All rights of action and claims under this Indenture or any of the Certificates Outstanding hereunder may be enforced by the Trustee without the possession of any of the Certificates or the production thereof in any trial or proceedings relative thereto; and any suit or proceeding instituted by the Trustee shall be brought in its name as Trustee, without the necessity of joining as plaintiffs or defendants any Owners of the Certificates, and any recovery of judgment shall be for the ratable benefit of the Owners of the Certificates, subject to the provisions of this Indenture.

Section 6.06. Delay or Omission No Waiver. No delay or omission of the Trustee or of any Certificate Owner to exercise any right or power accruing upon any default shall exhaust or impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence therein; and every power and remedy given by this Indenture may be exercised from time to time and as often as may be deemed expedient.

Section 6.07. No Waiver of One Default to Affect Another. No waiver of any default hereunder, whether by the Trustee or the Certificate Owners, shall extend to or affect any subsequent or any other then existing default or shall impair any rights or remedies consequent thereon.

Section 6.08. Discontinuance of Proceedings on Default; Position of Parties Restored. In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case the System, the Trustee and the Certificate Owners shall be restored to their former positions and rights hereunder with respect to the Trust Estate, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 6.09. Waivers of Events of Default. The Trustee may in its discretion waive any Event of Default and its consequences and notwithstanding anything else to the contrary contained in this Indenture shall do so upon the written request of the Owners of not less than two-thirds in aggregate principal amount of all the Certificates then Outstanding; provided, however, that there shall not be waived without the consent of the Owners of 100% of the Certificates then Outstanding as to which the Event of Default exists (i) any default in the payment of the principal of or premium on any Outstanding Certificates at the date of maturity specified therein or (ii) any default in the payment when due of the interest on any such Certificates, unless prior to such waiver or rescission, all arrears of interest and all arrears of payments of principal and premium, if any, then due, as the case may be, and all expenses of the Trustee in connection with such default shall have been paid or provided for. In case of any such

waiver, or in case any proceedings taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then and in every such case the System, the Trustee and the Certificate Owners shall be restored to their former positions and rights hereunder respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

## ARTICLE VII

### CONCERNING THE TRUSTEE

Section 7.01. Duties of the Trustee. The Trustee hereby accepts the trusts imposed upon it by this Indenture and agrees to perform said trusts, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise as a reasonable and prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to act upon an Opinion of Counsel concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon an Opinion of Counsel and shall not be responsible for any loss or damage resulting from any action or nonaction taken by or omitted to be taken in good faith in reliance upon such Opinion of Counsel.

(c) The Trustee shall not be responsible for any recital herein or in the Certificates (except in respect to the Trustee and execution of the Certificates on behalf of the Trustee), or for the recording or rerecording, filing or refiling of this Indenture or of any supplements thereto or hereto or instruments of further assurance, or collecting any insurance moneys or for the validity of the execution by the System of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Certificates issued hereunder or intended to be secured hereby, and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the System or the System, except as provided herein; but the Trustee may require of the System or the System full information and advice as to the performance of the covenants, conditions and agreements aforesaid. The Trustee shall have no obligation to perform any of the duties of the System hereunder; and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Article IV hereof.

(d) The Trustee shall not be accountable for the use of any Certificates authenticated and delivered hereunder. The Trustee may become the Owner of Certificates with the same rights which it would have if not Trustee.

(e) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper Person or Persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any Person who at the time of making such request or giving such authority or consent is the Owner of any Certificate shall be conclusive and binding upon any Certificates issued in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the System by the System Representative, or on behalf of the System by the System Representative or such other Person as may be designated for such purpose by resolution of the Board, as sufficient evidence of the facts therein contained, and, prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (h) of this Section or of which by said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by the System to cause to be made any of the payments to the Trustee required to be made by Article I hereof and Article II hereof, unless the Trustee shall be specifically notified in writing of such default by the System or by the Owners of at least 25% in aggregate principal amount of Certificates then Outstanding, and all notices or other instruments required by this Indenture to be delivered to the Trustee, must, in order to be effective, be delivered at the principal corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(i) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust in the manner and for the purposes for which they were received but need not be segregated from other funds except to the extent required by this Indenture or law. The Trustee shall not be under any liability for interest on any moneys received hereunder except that the Trustee is responsible for complying with the written investment directions of the System.

(j) At any and all reasonable times the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right, but shall not be required, to inspect any and all of the property pledged herein.

(k) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(l) Notwithstanding anything in this Indenture, the Trustee shall have the right, but shall not be required, to demand in respect of the execution and delivery of any Certificates, the withdrawal of any cash, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the System or the System to the execution and delivery of any Certificates, the withdrawal of any cash, or the taking of any other action by the Trustee.

(m) Before taking any action hereunder the Trustee may require that satisfactory indemnity be furnished to it by the Certificate Owners for the reimbursement of all costs and expenses which it may incur and to protect it against all liability, except liability which may result from its negligence or willful misconduct, by reason of any action so taken.

Section 7.02. Fees and Expenses of Trustee. During the Agreement Term, the Trustee shall be entitled to payment and reimbursement for its reasonable fees for its services rendered hereunder as and when the same become due and all expenses, including attorney's fees, reasonably and necessarily made or incurred by the Trustee in connection with such services as and when the same become due and shall be paid as Additional Payments, as provided in Section 1.05 hereof.

Section 7.03. Resignation or Replacement of Trustee. The present or any future Trustee may resign by giving written notice to the System not less than 60 days before such resignation is to take effect. Such resignation shall take effect only upon the appointment of a successor qualified as provided in the third paragraph of this Section. The present or any future Trustee may be removed at any time by an instrument in writing, executed by the Owners of a majority in aggregate principal amount of the Certificates then Outstanding; provided that the Certificate Insurer consents to such removal. The present or any future Trustee may be removed at any time by the Certificate Insurer so long as it is not in default of its payment obligations under the Certificate Insurance Policy. The present or any future Trustee may be removed at any time by a Representative of the System.

In case the present or any future Trustee shall at any time resign or be removed for any reason or otherwise become incapable of acting, a successor may be appointed by the System by an instrument or concurrent instruments signed by the System Representative. The System upon making such appointment shall forthwith give notice thereof to each Certificate Owner, which notice may be given concurrently with the notice of resignation given by any resigning Trustee or the notice removing any Trustee.

Every successor Trustee shall always be a bank or trust company in good standing, duly authorized to exercise trust powers and subject to examination by Federal or state authority, qualified to act hereunder, having a reported capital and surplus of not less than \$10,000,000. Any successor appointed hereunder shall execute, acknowledge and deliver to the System an instrument accepting such appointment hereunder, and thereupon such successor

shall, without any further act, deed or conveyance, become vested with all the estates, properties, rights, powers and trusts of its predecessor in the trust hereunder with like effect as if originally named as Trustee herein; but the Trustee retiring shall, nevertheless, on the written demand of its successor, execute and deliver an instrument conveying and transferring to such successor, upon the trusts herein expressed, all the estates, properties, rights, powers and trusts of the predecessor, which shall duly assign, transfer and deliver to the successor all properties and moneys held by it under this Indenture. Should any instrument in writing from the System be required by any successor for more fully and certainly vesting in and confirming to it, the said deeds, conveyances and instruments in writing shall be made, executed, acknowledged and delivered by the System on request of such successor.

The instruments evidencing the resignation or removal of the Trustee and the appointment of a successor hereunder, together with all other instruments provided for in this Section shall be filed and/or recorded by the successor Trustee in each recording office, if any, where this Indenture shall have been filed and/or recorded.

Section 7.04. Conversion, Consolidation or Merger of Trustee. Any bank or trust company into which the Trustee or its successor may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business as a whole shall be the successor of the Trustee under this Indenture with the same rights, powers, duties and obligations and subject to the same restrictions, limitations and liabilities as its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto or thereto, anything herein or therein to the contrary notwithstanding. In case any of the Certificates to be issued hereunder shall have been executed, but not delivered, any successor Trustee may adopt the signature of any predecessor Trustee, and deliver the same as executed; and, in case any of such Certificates shall not have been executed, any successor Trustee may execute such Certificates in the name of such successor Trustee.

Section 7.05. Intervention by Trustee. In any judicial proceeding to which the System is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interests of Owners of the Certificates, the Trustee may intervene on behalf of Certificate Owners and shall do so if requested in writing by the Owners of at least 25% in aggregate principal amount of the Certificates then Outstanding.

## ARTICLE VIII

### SUPPLEMENTAL INDENTURES AND AMENDMENTS

Section 8.01. Supplemental Indentures Not Requiring Consent of Certificate Owners. The Trustee and the System may, without the consent of, or notice to, the Certificate Owners (but with the consent of the Certificate Insurer as provided in Section 11.01(a) hereof), enter into such indentures or agreements supplemental hereto for any one or more or all of the following purposes:

(a) To add to the covenants and agreements of the System contained in this Indenture other covenants and agreements to be thereafter observed by the System;

(b) To cure any ambiguity, or to cure, correct or supplement any defect or omission or inconsistent provision contained in this Indenture, or to make any provisions with respect to matters arising under this Indenture or for any other purpose if such provisions are necessary or desirable and do not adversely affect the interests of the Certificate Owners;

(c) To subject to this Indenture additional revenues, properties or collateral.

Section 8.02. Supplemental Indentures Requiring Consent of Certificate Owners. Exclusive of supplemental indentures permitted by Section 8.01 hereof, the written consent of the System and the Owners of not less than two-thirds in aggregate principal amount of the Certificates then Outstanding shall be required for the execution by the System and the Trustee of any indenture or indentures supplemental hereto; provided, however, that without the consent of the Owners of all the Certificates at the time Outstanding or of all of the Certificates affected thereby, as the case may be, nothing herein contained shall permit or be construed as permitting:

(a) A change in the terms of redemption or maturity of the principal amount of or the interest on any Outstanding Certificate, or a reduction in the principal amount of or premium payable upon any redemption of any Outstanding Certificate or the rate of interest thereon, without the consent of the Owner of such Certificate;

(b) The deprivation of the Owner of any Certificate then Outstanding of the lien created by this Indenture (other than as originally permitted hereby), without the consent of the Owner of such Certificate;

(c) A privilege or priority of any Certificate or Certificates over any other Certificate or Certificates; or

(d) A reduction in the percentage of the aggregate principal amount of the Certificates required for consent to such supplemental indenture.

If at any time the System shall request the Trustee to enter into such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed to the Certificate Insurer and to the registered owners of the Certificates at the addresses last shown on the registration records of the Trustee. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Certificate Owners. If within 60 days or such longer period as shall be prescribed by the System following the mailing of such notice, the Certificate Insurer and the Owners of not less than the requisite aggregate principal amount of the Certificates Outstanding at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no Certificate Owner shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the System from executing the same or from taking any action pursuant to the provisions thereof.

Section 8.03. Execution of Supplemental Indenture. The Trustee is authorized to join with the System in the execution of any such supplemental indenture and to make further

agreements and stipulations which may be contained therein, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects its rights, duties or immunities under this Indenture. ### COVENANTS

Section 9.01. Tax Covenant. The System covenants for the benefit of the 2014 Certificate Owners that it will not take any action or omit to take any action with respect to the 2014 Certificates, the proceeds thereof, any other funds of the System or any Project financed with the proceeds of the 2014 Certificates if such action or omission (i) would cause the interest on the 2014 Certificates to lose its exclusion from gross income for Federal income tax purposes under Section 103 of the Code, or (ii) would cause interest on the 2014 Certificates to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Code except to the extent such interest is required to be included in the adjusted current earnings adjustment applicable to corporations under Section 56 of the Code in calculating corporate alternative minimum taxable income. Any failure by the System to perform in accordance with this Section shall not constitute an Event of Default, and the rights and remedies provided by this Indenture upon the occurrence of an Event of Default shall not apply to any such failure. The Trustee shall not have any power or duty to enforce this Section. No Owner of a Certificate shall be entitled to damages for the System's non-compliance with its obligations under this Section; however, the Owners of the Certificates may enforce specific performance of the obligations contained in this Section by any judicial proceeding available.

### PROVISIONS RELATING TO THE CERTIFICATE INSURER

#### Section 11.01. Provisions Relating to the Certificate Insurer.

(a) Notwithstanding any other provision of this Indenture other than Section 11.02 hereof, the Certificate Insurer shall be deemed to be the sole owner of all Certificates insured by the Certificate Insurer: (i) at all times for the purpose of the execution and delivery of any supplemental indenture, removal of the Trustee and selection of a successor or the initiation by registered owners of any action to be undertaken by the Trustee at the request of registered owners, which under this Indenture requires the approval or consent of or can be initiated by the owners of any stated proportion or percentage in aggregate principal amount of the Certificates at the time Outstanding; and (ii) following an Event of Default hereunder for all other purposes. Notwithstanding the foregoing, the Certificate Insurer's consent shall be required in addition to, but not in lieu of, the consent of the registered owners for the execution and delivery of any supplemental indentures for which the consent of 100% of the registered owners is required

pursuant to Section 8.02 hereof. Any provision in this Indenture providing for the discretionary consent of the Trustee shall require the prior written consent or direction of the Certificate Insurer and shall be deemed to be prefaced with the following language: "The Trustee may, with the written consent of the Certificate Insurer, or shall, at the written direction of the Certificate Insurer, consent..."

(b) Copies of any Supplemental Indentures which are consented to by the Certificate Insurer shall be sent to the rating agencies.

(c) Any provisions of this Indenture expressly recognizing or granting rights in or to the Certificate Insurer may not be amended in any manner which affects the rights of the Certificate Insurer hereunder without the prior written consent of the Certificate Insurer.

(d) To the extent permitted by law, any reorganization or liquidation plan with respect to the System must be acceptable to the Certificate Insurer. In the event of any reorganization or liquidation, the Certificate Insurer shall have the right to vote on behalf of all registered owners absent a default by the Certificate Insurer under the Certificate Insurance Policy.

(e) Anything in this Indenture to the contrary notwithstanding, absent a default by the Certificate Insurer under the Certificate Insurance Policy, upon the occurrence and continuance of an Event of Default hereunder, the Certificate Insurer shall be entitled to control and direct the enforcement of all rights and remedies granted to the registered owners or the Trustee for the benefit of the registered owners under this Indenture.

Section 11.02. Rights of the Certificate Insurer Terminate Upon Default Under the Certificate Insurance Policy. Notwithstanding any other provision hereof, any rights granted to or conferred upon the Certificate Insurer hereunder shall be in effect only so long as the Certificate Insurer is not in default in its payment obligation under the Certificate Insurance Policy, and upon any such default by the Certificate Insurer its rights hereunder shall terminate (except to the extent of subrogation for any payments under the Certificate Insurance Policy theretofore made by the Certificate Insurer); provided, however, that such rights shall be reinstated when the Certificate Insurer has cured such default under the Certificate Insurance Policy.

Section 11.03. Notices and Reports to be Given to the Certificate Insurer. The Trustee shall give the Certificate Insurer copies of any notice to be given to the registered owners, including, without limitation, notice of any redemption of or defeasance of Certificates, and any certificate rendered to the Trustee by the System pursuant to this Indenture relating to the security for the Certificates. Notwithstanding any other provision of this Indenture, the Trustee shall promptly notify the Certificate Insurer if at any time there are insufficient moneys to make any payments of principal and/or interest as required hereunder and promptly upon the occurrence of any Event of Default hereunder of which the Trustee has actual knowledge or constructive knowledge pursuant to Section 7.01(h) hereof. The Trustee shall also notify the Certificate Insurer of the System's failure to provide the Trustee with any notice, certificate or other item required to be given to the Trustee hereunder.

Section 11.04. Payment Procedure Pursuant to the Certificate Insurance Policy.

As long as the Certificate Insurance Policy shall be in full force and effect, the System and the Trustee agree to comply with the following provisions:

(a) The System shall make Base Payments to the Trustee at least two Business Days prior to each Base Payment Date set forth in Exhibit B in order that at least one (1) day prior to all interest payment dates the Trustee will determine whether there will be sufficient funds in the Certificate Fund to pay the principal of or interest on the Certificates on such interest payment date. If the Trustee determines that there will be insufficient funds in the Certificate Fund, the Trustee shall so notify the Certificate Insurer. Such notice shall specify the amount of the anticipated deficiency, the Certificates to which such deficiency is applicable and whether such Certificates will be deficient as to principal or interest, or both. If the Trustee has not so notified the Certificate Insurer at least one (1) day prior to an Interest Payment Date, the Certificate Insurer will make payments of principal or interest due on the Certificates on or before the first day next following the date on which the Certificate Insurer shall have received notice of nonpayment from the Trustee.

(b) the Trustee shall after giving notice to the Certificate Insurer as provided in (a) above, make available to the Certificate Insurer and, at the Certificate Insurer's direction, to the Insurance Trustee, the registration books maintained by the Trustee, and all records relating to the funds and accounts maintained under this Indenture.

(c) the Trustee shall provide the Certificate Insurer and the Insurance Trustee with a list of registered owners entitled to receive principal or interest payments from the Certificate Insurer under the terms of the Certificate Insurance Policy, and shall make arrangements with the Insurance Trustee (i) to mail checks or drafts to the registered owners entitled to receive full or partial interest payments from the Certificate Insurer and (ii) to pay principal upon Certificates surrendered to the Insurance Trustee by the registered owners entitled to receive full or partial principal payments from the Certificate Insurer.

(d) the Trustee shall, at the time it provides notice to the Certificate Insurer pursuant to (a) above, notify registered owners entitled to receive the payment of principal or interest thereon from the Certificate Insurer (i) as to the fact of such entitlement, (ii) that the Certificate Insurer will remit to them all or a part of the interest payments next coming due upon proof of Registered owner entitlement to interest payments and delivery to the Insurance Trustee, in form satisfactory to the Insurance Trustee, of an appropriate assignment of the Registered owner's right to payment, (iii) that should they be entitled to receive full payment of principal from the Certificate Insurer, they must surrender their Certificates (along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee to permit ownership of such Certificates to be registered in the name of the Certificate Insurer ) for payment to the Insurance Trustee, and not the Trustee, and (iv) that should they be entitled to receive partial payment of principal from the Certificate Insurer, they must surrender their Certificates for payment thereon first to the Trustee, who shall note on such Certificates the portion of the principal paid by the Trustee, and then, along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee, to the Insurance Trustee, which will then pay the unpaid portion of principal.

(e) in the event that the Trustee has notice that any payment of principal of or interest on a Certificate which has become Due for Payment (as defined in the Certificate Insurance Policy) and which is made to a Registered owner by or on behalf of the System has been deemed a preferential transfer and theretofore recovered from its Registered owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee shall, at the time the Certificate Insurer is notified pursuant to (a) above, notify all registered owners that in the event that any registered owner's payment is so recovered, such registered owner will be entitled to payment from the Certificate Insurer to the extent of such recovery if sufficient funds are not otherwise available, and the Trustee shall furnish to the Certificate Insurer its records evidencing the payments of principal of and interest on the Certificates which have been made by the Trustee, and subsequently recovered from registered owners and the dates on which such payments were made.

(f) in addition to those rights granted the Certificate Insurer under this Indenture, the Certificate Insurer shall, to the extent it makes payment of principal of or interest on Certificates, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Certificate Insurance Policy, and to evidence such subrogation (i) in the case of subrogation as to claims for past due interest, the Trustee shall note the Certificate Insurer's rights as subrogee on the registration books of the System maintained by the Trustee, upon receipt from the Certificate Insurer of proof of the payment of interest thereon to the registered owners of the Certificates, and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note the Certificate Insurer's rights as subrogee on the registration books of the System maintained by the Trustee upon surrender of the Certificates by the registered owners thereof together with proof of the payment of principal thereof.

Section 11.05. The Certificate Insurer's Rights Regarding the Trustee. The Trustee may be removed at any time, at the request of the Certificate Insurer, for any breach of the trust set forth herein. The Certificate Insurer shall receive prior written notice from the Trustee of any Trustee resignation. Notwithstanding any other provision of this Indenture, no removal, resignation or termination of the Trustee shall take effect until a successor, acceptable to the Certificate Insurer, shall be appointed. Notwithstanding any other provision of this Indenture, in determining whether the rights of the registered owners will be adversely affected by any action taken pursuant to the terms and provisions of this Indenture, the Trustee shall consider the effect on the registered owners as if there were no Certificate Insurance Policy.

Section 11.06. Covenants of the System. The System agrees that the Trustee may enforce all rights of the System and all obligations of the System hereunder for and on behalf of the registered owners, whether or not the System is in default under this Indenture.

IN WITNESS WHEREOF, the System and the Trustee have caused this Indenture to be executed in their respective corporate names and their respective corporate seals to be hereto affixed and attested by their duly authorized officials or officers, all as of the date first above written.

The amount of principal so prepaid shall be noted on the prepayment panel appended to this Note and the registration records maintained by the Registrar.

Partial principal payments shall be applied to the principal due under the Note as directed by the Chancellor, the Vice Chancellor for Finance or Director of Banking and Investments of the System, including application to the most remote installment of principal due under this Note which may result in a shortened term for this Note.

This Note may be transferred on presentation by the registered owner to the Paying Agent, together with evidence of transfer satisfactory to the Paying Agent and Registrar, and such transfer shall be noted in the registration records of the System maintained by the Registrar and similarly noted on the registration panel on the reverse hereof and no such transfer shall be effective until the registered owner shall have provided such satisfactory evidence of transfer to the Paying Agent and Registrar. This Note may be transferred to a commercial bank without the prior written consent of the System and may be transferred to others with the prior written consent of the System. The Paying Agent shall not be required to transfer ownership of this Note within 30 days of any date on which any portion of the principal hereof is to be prepaid. The System, the Registrar and the Paying Agent shall be entitled to treat the registered owner of this Note as noted in the registration records maintained by the Registrar as the absolute owner hereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them and the Paying Agent shall transmit payments to the registered owner hereof as shown on the registration records of the System maintained by the Registrar.

This Note is issued by the System pursuant to authorization by the Board of Regents of the System (the "Board") for the purpose of financing in part the cost of capital improvements for the University of Nevada, Reno. The Note is payable from any monies of the System legally available for the purpose of making such payment, and the System hereby covenants to make sufficient provision annually in its budget to pay the principal of and interest on the Note when due. The Note does not constitute a debt or indebtedness of the State of Nevada or a charge against the State's credit or taxing power. Repayment of this Note is not subject to annual appropriation by the System.

Each of the following are defined to be an "event of default" hereunder.

- (i) the System is 5 or more calendar days late in making any regularly scheduled payment of the principal of or interest on this Note when due;
- (ii) the System files a petition or similar pleading or any petition or similar pleading is filed against the System seeking a discharge composition or other form of relief of the System's debt under the Federal Bankruptcy laws or under any other applicable bankruptcy, insolvency or similar laws of the United States or the State of Nevada;
- (iii) an order or decree is entered in a court of competent jurisdiction in an insolvency case under the Federal Bankruptcy laws or under any other applicable federal or state bankruptcy, insolvency, or similar law appointing a receiver, custodian, liquidator, or trustee for the

assets of the System or any substantial part of the System's property and such decree or order continues unstayed and in effect for a period of 90 days; or

(iv) the System voluntarily suspends its business.

If an Event of Default shall have occurred hereunder, and in the case of those events listed in clauses (ii) through (iv) of the preceding sentence only, such Event of Default is not cured within 30 days after written notice from the registered owner hereof to the Paying Agent specifying the Events of Default and requiring that it be remedied, then:

[(i) the registered owner may declare the unpaid principal balance of this Note, together with the interest thereon to be then fully due and payable;]

(ii) the registered owner may proceed against the System to protect and enforce all of its rights hereunder by mandamus or by other suit, action or special proceeding in law or in equity in any court of competent jurisdiction for the specific performance of the covenants and agreements of the System hereunder; and

(iii) the registered owner may exercise such other remedies available to it at law or in equity.

Any failure on the part of the registered owner to exercise, and any delay in exercising, any right hereunder shall not operate as a waiver thereof or of any other remedy; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any other remedies provided by law.

Payments made on this Note shall be applied in the following order of priority: (i) to pay any reasonable expenses incurred in collecting amounts due under or in enforcing the provisions of this Note, (ii) to pay interest in arrears or then due, and (iii) to pay the installments of principal in arrears or then due. If any principal payment is not made when due, interest shall continue on the unpaid installment of principal until it is paid.

It is hereby certified, recited, declared and warranted that all actions required to be taken prior to the issuance hereof have been had and taken by the System.

The System covenants for the benefit of the registered owners of this Note that it will not take any action or omit to take any action with respect to this Note, the proceeds thereof, any other funds of the System or any facilities financed with the proceeds of this Note if such action or omission (i) would cause the interest on this Note to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended to the date of delivery of the Note (the "Tax Code"), or (ii) would cause interest on this Note to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code, except to the extent such interest is required to be included in the adjusted current earnings adjustment applicable to corporations under Section 56 of the Tax Code.

**IN WITNESS WHEREOF**, the Nevada System of Higher Education has caused this Note to be signed and executed by the manual or facsimile signature of the Chairman of its Board of Regents, to be countersigned by the manual or facsimile signature of the Chancellor, ex-officio Treasurer of the System and to be signed and attested by the manual or facsimile signature of the Chief Executive Officer of the Board, ex officio Secretary, all as of the date of this Note appearing above.
