INSTITUTION: Truckee Meadows Community College

TITLE OF PROGRAM TO BE ELIMINATED/DEACTIVATED: Northern Nevada Law Enforcement Academy

EFFECTIVE DATE OF ELIMINATION/DEACTIVATION: Upon Approval

A. Reason for proposed elimination/deactivation of the program

Truckee Meadows Community College requests permission to eliminate our POST academy. The college has not offered the academy for nearly a decade and was unable to fill vacant positions with qualified individuals when last attempted more than five years ago. Law enforcement partners regularly conduct their own academies without awarding academic credit and have expressed satisfaction with that arrangement.

B. Specify plan to phase out the program, including description of how the needs of currently enrolled students will be met

There are no currently enrolled students. This is a short-term cohort program that has not been scheduled for several years.

C. Impact of closure or deactivation on faculty and staff, and related academic programs

No full-time faculty or staff are assigned to the academy, therefore no impacts are anticipated.

D. Describe any impact the program elimination/deactivation will have on accreditation and note any discussions as such that have occurred with the accrediting agency

The program itself does not have an accreditation, and its elimination will have no impact on the college's.

E. Describe the process of notifying other institutions regarding impact of the program closure or deactivation on transfer and articulation

The program does not transfer to other institutions. Agencies that have hired program graduates in the past are aware that the college will no longer operate academies.

F. Fiscal Impact Statement – describe the fiscal impact, if any, that will result from the elimination/deactivation of the program

No fiscal impact will occur. A small operating budget will be reallocated. Because the program has been inactive for years, there is no impact on the funding formula or performance metrics.
