

BOARD OF REGENTS
BRIEFING PAPER

1. AGENDA ITEM TITLE: Overview of CSN Apprenticeship Program

MEETING DATE: December 2016

2. BACKGROUND & POLICY CONTEXT OF ISSUE:

For over a decade, CSN has partnered with local trade unions and the AFL-CIO to advance apprenticeship opportunities for students. The scope, relationships, and future of the program will be shared with the Board under this agenda item.

Students in these programs in Nevada often come to the state with a job in hand, but need the training and certification to function in the job. Lack of residency status and/or excess fee changes inhibit participation and slow community/economic development.

Affirmation of the program and general direction for the future of the program.
