

## NEVADA STATE COLLEGE

### 2015-2019 NSHE Planning Report excerpt (page 33) and NSC Academic Master Plan excerpt (Academic Programs section), as amended by the Board of Regents at the June 11-12, 2015 Meeting

Additions in *bold italics*; deletions are [~~bracketed and striken~~]

#### Academic Programs

The following academic programs will be pursued in the upcoming biennium.

- *Bachelor of Arts in Communication Studies. No new dollars. Faculty are already in place for the existing minor in Communication as well as a primary concentration in Communication Studies through the Interdisciplinary Studies major. If enrollment exceeds expectations and new faculty lines become necessary, additional funds will come from enrollment-generated state funds.*
- Bachelor of Applied Science in Visual Media. No additional funds are needed to start the program (*added in June 2015*).
- Bachelor of Applied Science in Engineering Technology. No new dollars. Existing faculty will teach the courses in the first few years (*added in June 2015*).
- Bachelor of Science in Mathematics. No new dollars, faculty are already in place for existing Secondary Education Mathematics program and general education courses.
- Expand RN-BSN program to meet existing demand. No new dollars, faculty are already in place for the existing RN-BSN program.
- Significantly expand the full-time and part-time Bachelor of Science in Nursing programs. Approximately \$900,000 in new faculty and student support positions, student fees.
- Establish a BAS in Allied Health. \$85,000, one new faculty position.
- Establish a BA in Deaf Studies. \$85,000, one new faculty position.
- Continue to expand Teaching English as a Second Language program. No new dollars, faculty are already in place for the existing program.
