

Bill D. Brady

January 11, 2016

Introduction

I am native Las Vegas born at the Las Vegas Hospital in 1946. I am married to Cindy Brady. I have 7 children and 24 grandchildren.

I owned and operated Brady Industries most of my adult life until my retirement in 2010.

Love of Country, a government that is responsible to the people, and individual freedom and accountability have always been a passion of mine.

At the age of twenty-four (24) I began my political career with an appointment to the Clark County Planning Commission.

In 1979 Ronald Reagan convinced me to run for office when I had a one on one meeting with him here in Las Vegas. At the age of thirty-two (32), I ran for the Assembly won.

During my second term as an Assemblyman, I was Assistant Minority Leader and then Minority Leader during my third term.

When I chose not to seek re-election, I made it my philosophy to “run for office or support those who do”. I have supported federal, state, and local candidates for both parties with time and resources ever since.

I had the privilege of being appointed to the Nevada Athletic Commission (NAC) by both Governor Gibbons and Governor Sandoval. It was an honor to serve for 8 years on the Commission as both a Commissioner and as the Chairman on two separate occasions. The NAC licenses and regulates all professional boxing and Mixed Martial Arts (MMA) events in the state.
