

BOARD OF REGENTS  
BRIEFING PAPER

**1. Agenda Item Title: Procedures and Guidelines Manual Revision – Chapter 7, Section 3, Tuition and Fees, University of Nevada School of Medicine and Section 16, Distribution of Fees and Tuition, University of Nevada School of Medicine**

**2. BACKGROUND & POLICY CONTEXT OF ISSUE:**

Pursuant to NSHE Board of Regents Handbook, Title 4, Chapter 17, Sections 1.6 & 1.7, Assessment of Fees and Section 7, Tuition and Fees, on a biennial basis, in the Spring of every even numbered year, the President, University of Nevada, Reno (or designee), chairs a committee composed of the Dean, School of Medicine, School of Medicine student government representatives, University of Nevada, Reno administrative officers, and a representative from the Chancellor's Office. The committee gathers and reviews data and makes recommendations to the Chancellor and the Board on an appropriate level of tuition and fees to be assessed all students in the School of Medicine at the University of Nevada, Reno.

In establishing such rates and fees for the School of Medicine at the University of Nevada, Reno (UNSOM) the university committee uses the following information in its deliberations:

1. Charges at peer institutions as defined in the annual Western Interstate Commission for Higher Education (WICHE) calculation of the median tuition and fees of members' states.
2. Information pertaining to consumer prices in the WICHE region.
3. Projected state funding over the biennium.
4. A needs assessment of the School of Medicine at the University of Nevada, Reno.
5. Other indices and information as needed to determine the appropriateness of UNSOM's tuition and fee rates.

**3. SPECIFIC ACTIONS BEING RECOMMENDED OR REQUESTED:**

President Marc Johnson presents for approval the proposed tuition and fee structure for the 2017-19 biennium for the University of Nevada School of Medicine. This request reflects an increase in resident tuition and fees of 4% per year for each year of the 2017-19 biennium. (Attachment 1a). President Johnson further seeks approval of the full amount of the proposed increase being allocated to the State Supported Operating Budget of the Medical School, net of any increases in the UNR General Improvement, Capital Improvement, Activities and Programs and Technology fees and the Student Access Fee. Student Access Fee increased due to percentage calculation. There are no changes in the other fees. (Attachment 1b)

**4. IMPETUS (WHY NOW?):**

To comply with Board of Regents policy established in Title 4, Chapter 17, Sections 1.6 & 1.7, Assessment of Fees and Section 7, Tuition & Fees, School of Medicine, which requires that tuition and fees for the School of Medicine be established on a biennial basis in the Spring of every even numbered year.

**5. BULLET POINTS TO SUPPORT REQUEST/RECOMMENDATION:**

- This proposal complies with Board of Regents policy established in Title 4, Chapter 17, Sections 1.6 & 1.7, Assessment of Fees and Section 7, Tuition & Fees, School of Medicine.
- The proposed resident and non-resident increases will narrow the gap between Nevada and the other WICHE institutions (Attachment 2).
- All tuition increases, net of any increases in the UNR General Improvement, Capital Improvement, Activities and Programs and Technology fees and the UNSOM Student Access Fee will be allocated to the State Supported Operating Budget of the Medical School.
- Student representation on the committee initiated the increase after discussion with their respective classes.

**6. POTENTIAL ARGUMENTS AGAINST THE REQUEST/RECOMMENDATION:**

Students will be required to pay the increase in fees to attend the School of Medicine at the University of Nevada, Reno.

**7. ALTERNATIVE(S) TO WHAT IS BEING REQUESTED/RECOMMENDED:**

Failure to review the appropriateness of UNSOM's tuition and fees would violate Board of Regents policy, Title 4, Chapter 17, Sections 1.6 & 1.7, Assessment of Fees and Section 7, Tuition & Fees, School of Medicine. Student indebtedness may increase.
