Any ideas that will help community colleges help serve students in our counties will be discussed in these meetings. The topic of how the budgeting will be left dependently on the counties that don't have money to spend for the community colleges is another issue to discuss within the committee. There will be a lot of supporting documents to help this committee move forward in building ideas.  
   Chair Porter pointed out the Ad Hoc Institutional Service Areas Committee and asked where the Chancellor sees this committee going and what were his thoughts about the first meeting. It was a very positive kick off meeting and showed that the committee can get a lot done. Timeline on this committee to moving along with the requested data from Dr. Anderson to get initiatives moving with the Community College presidents.

6. NSA CONSTITUTION

The revisions of the Constitution were brought up to NSA. Tevin Flores (proxy for President Ciavola) pointed that in section 210.2 it should be that only a president is the one who can be elected into Chair, Vice-Chair, or Secretary. Renee Davis stated that it does not have to be the respective president of the student government; it can be the appointed member from the respective student government. Mr. Flores, on behalf of Mark, pointed out that it should be the president of the students governments to be the elected executive member of NSA. Chair Porter, personally feels that it should be the president of the respective student government to be eligible for Chair, Vice-Chair, and Secretary as Mr. Flores brought up his concerns. President Young addressed the limitations of a selection pool to just have presidents run for Chair, Vice-Chair, and Secretary and that we should be looking at a bigger pool selection if we have the appointed members to NSA of whatever elected position.

President Prevost motions to approve of the revision of the constitution with the amendment of including 210.11 stating "That if the president appoints a voting representative, they must be any student elected representative of the respective institution's government to run for their Chair, Vice-Chair, and Secretary of NSA."
