Office of the Governor

Carson City, Nevada

March 20, 1866

The Board of Regents met at the above named place pursuant to the call of the Chairman thereof. Present: H. G. Blasdel, Chauncey N. Noteware and A. F. White, Secretary.

In compliance with the requirements of an Act entitled "An Act to Provide for Establishing and Maintaining a Mining School and Create the Office of State Mineralogist", approved March 9, 1866.

Professor Richard H. Stretch was appointed Mineralogist for the State of Nevada.

The Secretary of said Board reported that the members of the Board of Commissioners appointed for the purpose of receiving proposals, donations, etc., "for the establishment of an

Agricultural and Mechanical College in Washoe County", were duly informed of their appointment, of the time and place fixed for their first meeting. Also that (by communication from a member of said Board) the meeting appointed as aforesaid was not held at the time fixed. The Secretary of this Board then designated December 19th following as the day of the meeting, when the said Board met, but no report of said meeting has ever been read.

Adjourned.

A. F. White

Secretary
