Reno, Nevada
November 18, 1920

The Regents met at 10 o'clock on the above date in the Office of the President of the University. All members of the Board and President Clark were present.

Some discussion was had regarding chairs for auditorium in Education building and storage tank for fuel oil for Heating Plant. Also the matter of tying up the right-of-way proposition for a University spur from the Western Pacific over the Evans land with the possible purchase of Evans property to the north of the University Campus was considered.

The Regents and President then went to the Education building for a final inspection of the building so far as the general and heating contracts were concerned. On their return, Mr. North made the following motion:

I move the acceptance of the Education building, with the agreement with Mr. Wara that he furnish and place the necessary floor and ceiling plates around the pipes and also with the agreement with Mr. Fowler that he replace the one broken window, point up one corner in one of the rooms and repair the opening above the stage.

Vote:

Mrs. Hood	Aye
Mr. Pratt	Aye
Judge Curler	Aye
Mr. North	Aye
Judge Cheney	Aye

Adjourned with the understanding that another meeting would be held at the end of the month, when payrolls and claims would be approved and signed.

A. E. Cheney
