## **Section 23. Computing Resources Policy**

1. Principles: Academic freedom in teaching and research and the right of freedom of speech for faculty, staff and students are fundamental principles of the Nevada System of Higher Education (NSHE). Nothing in this Section limits or removes the right of free speech or the academic freedom of faculty, staff, and students engaged in the learning process, nor relaxes their responsibilities as members of the NSHE community. This computer resources policy

seeks to achieve objectives necessary for the legitimate and proper use of the NSHE computing resources. It is intended that these ends should be achieved in ways that maximally respect the legitimate interests and rights of all computer users. The NSHE acknowledges its responsibilities to respect and advance free academic inquiry, free expression reasonable expectations of privacy, due process, equal protection of the law, and legitimate claims of ownership of intellectual property. The NSHE also acknowledges its obligations to comply with the Nevada Public Records Act and federal and state laws governing discovery in litigation, subpoenas, court orders and national security. Each institution within NSHE may adopt further computing resources policies congruent with these principles.

## 2. Applicability and Definitions

- a. This policy applies to all NSHE institutions, the Chancellor's Office and the Nevada System of Higher Education Computing Services.
- b. For purposes of this Section:
  - i. "President" means the chief executive officer of a member institution, and the term shall also include the Chancellor where the context of this policy requires with respect to the Unit or the special units.
  - ii. "Unit" means the combined administrative unit consisting of the Chancellor's Office and the NSHE Computing Services.
  - iii. "User" includes faculty, staff and students.
  - iv. "NSHE policies" include the *Board of Regents Handbook* and the NSHE Procedures and Guidelines Manual.

## 3. Procedures and Guidelines

In addition to the provisions of this Section, the Chancellor is directed to establish procedures and guidelines necessary to implement the Computing Resource Policy, including but not limited to, circumstances in which a user's email may be accessed when the user is absent without notice or leaves the employment of NSHE or in emergency situations.

## 4. Use of Computing Resources

- a. The computing resources of the NSHE are the property of the NSHE and are intended for support of the instructional, research, and administrative activities of System institutions and the Chancellor's Office. Examples of computing resources are system and campus computing facilities and networks, electronic mail, Internet services, lab facilities, office workstations and NSHE data. Users of NSHE computing services, data and facilities are responsible for appropriate and legal use. Appropriate use of system computing resources means 1) respecting the rights of other computer users, 2) protecting the integrity of the physical and software facilities, 3) complying with all pertinent license and contractual agreements, and 4) obeying all NSHE policies and state and federal laws.
- b. Students enrolled in kindergarten through twelfth grades using NSHE computing facilities and networks for K-12 classes and activities must abide by school district and NSHE policies. K-12 students enrolled in NSHE courses will be treated as NSHE students and therefore must abide by NSHE policies.
- c. Inappropriate use of computing or networking resources, as defined in this Section may result in the loss of computing privileges. If a violation of appropriate use occurs, a warning may first be given, if required by federal or state law or NSHE policies, notifying the user that their action violates policy or law and that their access will be

suspended if the action continues. The applicable NSHE policies, Nevada law and campus by-laws shall be followed if the need to suspend computing privileges of faculty, staff, or students occurs. However, if the security and operation of the computing systems or networks are jeopardized, access may be immediately cancelled.

- d. In congruence with *Nevada Revised Statutes* (NRS) 281A.400, NSHE employees shall not use the NSHE computer resources to benefit their personal or financial interest. However, in accordance with NRS 281A.400(7), limited use for personal purposes is allowable if the use does not interfere with the performance of an employee's duties, the cost and value related to use is nominal, and the use does not create the appearance of impropriety or of NSHE endorsement. Users are discouraged from storing personal or family financial, medical, business or other records on NSHE computers. Personal use shall not interfere with official institutional or Unit use. Any user who intentionally or negligently damages NSHE computing resources shall be held responsible for the resultant expense.
  - e. A NSHE account given to students, faculty, and staff is for the use only of the person to whom it is given. Unauthorized access or privileges are not allowed. In electronic communication such as mail, the user should not misrepresent his or her identity. No user shall attempt to disrupt services of the computing and network system, including the knowing propagation of computer viruses or the bombardment of individuals, groups, or the system with numerous repeated unwanted messages.
5. Privacy Issues: The NSHE provides security measures to protect the integrity and privacy of electronic information such as administrative data, individual data, personal files, and electronic mail. All Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232 g; 34 CFR Part 99 requirements are followed. Users must not circumvent security measures. While computing resources are System property and all rights are retained regarding them, these rights will be balanced with a reasonable and legitimate expectation that technical staff and administrators will not casually or routinely monitor traffic content or search files. Except as provided herein, the content of files of a current user shall only be examined when there is a reasonable suspicion of wrongdoing or computer misconduct as determined by the President or his or her designee. Examination of files shall be limited to the matter under consideration. Disciplinary matters involving computer and network systems shall be handled in accordance with Chapter 6 or Chapter 10 of the NSHE Code, Nevada law, or an institutional student conduct process. Within the limits of the capability of the computer system, NSHE shall protect the legitimate privacy interests of users and those about whom information is stored.
6. Software Management Responsibility: Users of NSHE computing resources are responsible for the legality of their software at all times. Data or software written or created by NSHE staff or students must not be copied or used without the author's permission. All commercial software must be licensed. Users must be aware of the license conditions and should never copy software without consulting the license agreement. Evidence of legal ownership is required. Individual users are responsible for not installing illegal computer software on NSHE equipment. All NSHE institutions and the Unit will enforce copyright laws and provide appropriate software management controls.
7. Internet Policy

The NSHE agreement with the provider for Internet access prohibits:

- a. attempted unauthorized access or destruction of any customers' information;

- b. knowingly engaging in any activities that will cause a denial-of-service to any customers; and
  - c. using products and services to interfere with the use of the network by other customers or authorized users, or in violation of the law or in aid of any unlawful act.
8. Legal Context: All federal and state laws, NSHE policies, and individual institutional policies are applicable to computer and network usage. Violation of NSHE policies may result in disciplinary action. Violation of applicable laws may result in civil damages and criminal sanctions under state and federal law.
- (B/R 12/17)

## **Section 24. NSHE Information Security Policy**

1. It is the policy of the Board of Regents that sensitive data maintained or transmitted by a Nevada System of Higher Education (NSHE) institution, the Chancellor's Office or the NSHE Computing Services must be secure. Further, as data collectors, NSHE institutions, the Chancellor's Office and NSHE Computing Services are required to comply with Nevada Revised Statutes (NRS) 603A.010-603A.910 (Security of Personal Information). Accordingly, the Board of Regents hereby establishes this policy in order protect sensitive data from unauthorized access, use, and disclosure, and establishes standards for the maintenance and handling of sensitive data and other information.

### 2. Definitions

For purposes of this Section:

- a) "Unit" means the combined administrative unit consisting of the Chancellor's Office and the Nevada System of Higher Education Computing Services.
- b) "Sensitive data" refers to personal information as that term is defined in NRS 603A.040, including but not limited to social security number, and any other data identified in state and federal law that the Unit or any NSHE institutions are required protect from unauthorized access, use, or disclosure.

### 3. NSHE Standards for Security Controls

NSHE hereby adopts the National Institute of Standards and Technology (NIST) Cybersecurity Framework, currently in effect and as otherwise amended or updated, as the NSHE standards for security controls.

### 4. NSHE Chief Information Security Officer

The Chancellor shall appoint a Chief Information Security Officer ("CISO") for NSHE who shall be responsible for development and management of an information security program for the Unit and NSHE institutions. In addition, the NSHE CISO:

- b) May establish system-wide committees to assist in the development and management of the NSHE information security program;

- c) Shall work with NSHE Internal Audit on any testing or validation related to the NSHE information security program and Unit and institutional compliance with the program; and

May develop an operations manual or similar document providing technical guidance to the Unit and NSHE institutions for the development of information security plans required by this Section that includes, but is not limited to, provisions for compliance with the Graham Leach Bliley Financial Services Modernization Act of 1999 (15 U.S.C. § 6801 et seq. and 16 CFR §314.1 et seq.), the Health Insurance Portability and Accountability Act of 1996 (HIPPA), and Payment Card Industry Data Security Standard (PCI-DSS).

Any Unit or institutional breaches of sensitive data or other information shall be reported to the NSHE CISO within 24 hours of the Unit's or institution's discovery of any such breach.
7. Any use of social security numbers by the Unit or an NSHE institution shall comply with the Privacy Act of 1974 (codified at 5 U.S.C. § 552a). The Unit and each NSHE institution requesting that an individual disclose his or her social security number must inform that individual whether that disclosure is mandatory or voluntary, by what authority the number is solicited, and what uses will be made of it.
8. The Unit and each NSHE institution shall comply with the disclosure requirements set forth in NRS 239B.030 (Disclosure of Personal Information to Governmental Agencies: Recorded, filed or otherwise submitted documents).
- (B/R 12/17)

## **Section 25. Support for Dual-Career Couples**

The NSHE recognizes both the growing frequency and importance of dual-career couples in the academic workplace and the importance of addressing their needs in order to secure the recruitment and retention of the most highly qualified faculty and staff. Accordingly, if a current employee, or a person who has received an offer of employment, requests assistance in locating employment opportunities for another person, it is the policy of the NSHE to extend limited assistance.

Within the framework of the following guidelines, institutional personnel will provide information identifying appropriate employment opportunities. In addition, employment information and resources relevant to identifying potential positions should be shared among NSHE campuses.

Assistance in seeking employment is governed by the following conditions.

1. Assistance may in no way interfere with, replace, supersede or compromise the integrity of each NSHE institution's normal hiring policies and practices.
2. Assistance remains in compliance with all affirmative action and equal employment opportunity requirements.
3. Assistance will be provided regardless of the rank, classification or function of the person requesting assistance.
4. Assistance is neither a guarantee nor a promise of employment. It is the responsibility of each institution to ensure that all parties clearly understand that no employment, or offer of employment, includes a promise or expectation that the institution will find or provide employment for another person.
5. The specific nature of assistance shall be determined by the institution. Information on opportunities should not be restricted to positions within the NSHE, but may include potential job listings with state and local government, non-profit organizations and private companies as well as listings with the NSHE.

(B/R 4/00)

## **Section 26. Use of External Lobbyists**

Personal use shall not interfere with official institutional use. Personal use of

NSHE time, property, equipment, or other facility must be approved in advance by the employee's supervisor. If the institution or unit incurs a cost as a result of a use that is authorized pursuant to this policy or would ordinarily charge a member of the public for the use, the employee shall promptly reimburse the cost or pay the charge. An employee who intentionally or negligently damages NSHE property, equipment, or other facility shall be held responsible for the resultant expense.

(B/R 9/10)

## **Section 28. Disclosure of Student Education Records and Directory Information**

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student educational records of both current and former students. Each NSHE institution is required to comply fully with the law. The Act makes a distinction between a student's education record and information classified as directory information. FERPA gives parents certain rights with respect to their children's education records. These rights transfer solely to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are defined as "eligible students" in the Act.

1. Education Records. Institutions must have written permission from the parents or eligible student in order to release any personally identifiable information from a student's education record. However, under certain conditions FERPA allows institutions to disclose those records, without consent, to the following parties or under the following conditions:
  - a. School officials<sup>1</sup> with legitimate educational interest<sup>2</sup>;
  - b. Other schools to which a student is transferring;
  - c. Specified officials for audit or evaluation purposes;
  - d. Appropriate parties in connection with financial aid to a student;
  - e. Organizations conducting certain studies for or on behalf of the institution;
  - f. Accrediting organizations;
  - g. To comply with a judicial order or lawfully issued subpoena, provided that the institution makes a reasonable attempt to notify the student in advance of compliance;
  - h. Appropriate officials in cases of health and safety emergencies; and
  - i. State and local authorities, within a juvenile justice system, pursuant to specific state law.

---

<sup>1</sup> The NSHE definition of "school official" is a person employed by an institution or NSHE System Administration Unit in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the institution has contracted as its agent to provide a service instead of using institutional employees or officials (such as an attorney, auditor, or collection agency); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

<sup>2</sup> For NSHE purposes, a school official is determined to have legitimate educational interest if the information requested is necessary for that official to (a) perform appropriate tasks that are specified in his or her position description or by a contract agreement; (b) perform a task related to a student's education; (c) perform a task related to the discipline of a student; (d) provide a service or benefit relating to the student or student's family, such as health care, counseling, job placement, or financial aid.

2. **Directory Information.** Under the provisions of FERPA, institutions may disclose, without consent, directory information to individuals upon request for enrolled and former students of the institution only. A disclosure of directory information is discretionary on the part of the institution. Directory information is defined in the Act as information contained in an education record of a current or former student which would not generally be considered harmful or an invasion of privacy if disclosed. The NSHE designates the following information as directory information for students:
  - a. Name;
  - b. Participation in officially recognized activities and sports;
  - c. Address;
  - d. Telephone number;
  - e. Weight and height of members of athletic teams;
  - f. Email address;
  - g. Degrees, honors, and awards received;
  - h. Major field of study;
  - i. College;
  - j. Dates of attendance;
  - k. Date of graduation;
  - l. Undergraduate and graduate status;
  - m. Most recent educational agency or institutions attended; and
  - n. Enrollment status (full-time or part-time).
  
3. **Notification Requirements.** Each NSHE institution shall annually disclose the definition of directory information in writing and provide a form on which students may elect to be removed from the directory listing under three options. The annual notification and form must be published within the first 5 pages of the institutional catalog and each class schedule. A common statement about the uses of directory information shall be provided on the form.
  - a. **Privacy Statement.** The Chancellor shall develop a privacy statement that shall be included on the institutional form used by students for requesting the non-disclosure of directory information.
  - b. **Request for Non-disclosure of Directory Information.** Students shall be permitted until the end of the first 6 weeks of the fall or spring semester to submit a request for non-disclosure of their directory information. The deadline shall be published in the academic calendar of each institution. The submission of a request for non-disclosure of directory information at one NSHE institution will apply at all NSHE institutions. Students shall be permitted to select one of three non-disclosure options:
    - i. Non-disclosure for commercial purposes.
    - ii. Non-disclosure for non-commercial (educational) purposes.
    - iii. Non-disclosure for both commercial and non-commercial (educational) purposes.

“Commercial purposes” is defined as the use of directory information by any person, including, without limitation, a corporation or other business, outside of the NSHE to solicit or provide facilities, goods, or services in exchange for payment of any purchase price, fee, contribution, donation, or other valuable consideration.

Non-commercial educational purposes may include, but are not limited to, placing the student's name in publications such as honors and graduation programs; confirming graduation and dates of attendance to potential employers; verifying enrollment with organizations such as insurance companies; or sending notifications about specialized scholarships without the express written authorization of the student.

- c. Applicability. The request for non-disclosure shall apply permanently to the student's record at all NSHE institutions until or unless the student or former student requests reversal of the non-disclosure order.

4. Sale of Directory Information. Student directory information for current and former students cannot be sold or rented for a fee by a NSHE institution.  
(B/R 12/22)

## **Section 29. Records Retention Policy (effective date of July 1, 2016)**

The NSHE Records Retention and Disposition Schedule is set forth in the NSHE *Procedures and Guidelines Manual*. Amendments to the NSHE Records Retention and Disposition Schedule are subject to the approval of the State of Nevada Records Committee and the Chancellor.  
(B/R 12/15)

## **Section 30. Privacy of Protected Health Information**

### **1. General Statement**

This statement of policy relates to the use, disclosure, and security of protected health information coming into the possession of various schools, departments, programs, individual employees (acting in the course and scope of employment) of NSHE and its respective institutions. The United States Department of Health and Human Services has adopted certain regulations governing the privacy of protected health information pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). In addition, state law may impose restrictions on the use or disclosure of health information that are more stringent than the federal regulations. NSHE is committed to following the applicable requirements of federal and state law governing the privacy of protected health information, and has developed a general implementation plan.

### **2. Scope of Policy**

NSHE is a hybrid covered entity under HIPAA. HIPAA standards, policies and procedures will be applied to all programs, departments and schools at NSHE that are identified as included in the health care component of NSHE as required by law.

### **3. Privacy and Security officers**

The Chancellor shall designate a NSHE employee to serve as the NSHE privacy officer. In addition, when required, the Chancellor shall designate a NSHE employee to serve as the NSHE security officer. The NSHE privacy and security officers shall assist the Chancellor in developing policies and procedures, training, implementation and administration of federal and state laws governing privacy and security of protected health information, as that term is

defined in HIPAA regulations. In addition, each institution with designated health care components is encouraged to appoint privacy and security officers. The ultimate authority for implementation and administration, however, resides with the Chancellor.

#### 4. Designation of Health Care Components of NSHE

The Chancellor, in consultation with institution Presidents, the NSHE privacy officer, System General Counsel, and impacted programs and departments, will designate the appropriate health care components of NSHE and each of its institutions. These health care components are subject to the requirements of HIPAA. The Chancellor has the authority to add to, remove or modify these designations as may be required.

#### 5. Objective

The Board's objective is to require all health care components of NSHE to develop and maintain adequate procedures and security to meet state and federal requirements governing protected health information in order to ensure the integrity and confidentiality of the information, to protect against any reasonably anticipated threats to the security of protected health information, and to guard against unauthorized uses or disclosures of protected health information.

## **Section 32. Hate Crimes Policy**

A hate crime is defined in Nevada law as a crime listed under NRS 193.1675 or NRS 207.185 against another person who is motivated by virtue of the victim’s actual or perceived race, color, religion, national origin, physical or mental disability or sexual orientation. Hate crimes are particularly repugnant to the mission of the Nevada System of Education (NSHE) and detrimental to the responsibility of NSHE to provide a safe environment for education, research and service for the NSHE community. In order to ensure that all institutions of the NSHE are prepared to respond to hate crimes that may be committed on its campuses, each institution must adopt a policy and procedure regarding hate crimes. The policy and procedure must include the manner by which the institution or its police services will prevent, respond to and investigate hate crimes.

## **Section 33. Possession of Weapons on NSHE Property**

### 1. INTRODUCTION

NSHE institutions are institutions of higher learning devoted to their missions of public education. NSHE is committed to providing an orderly academic environment for learning that promotes the acquisition of knowledge and advances the free exchange of ideas. The preservation of this educational environment is an important objective for the NSHE and its institutions.

Many students entering NSHE institutions are under 18 years of age, and pre-school age children, elementary school children and high school students attend programs or classes on NSHE campuses. Medical and dental patients of all ages are also seen on NSHE campuses. Members of the public often attend events on institution campuses.

The United States Supreme Court has recognized that schools are sensitive places where prohibitions on the possession of firearms are permitted.<sup>3</sup> The statutory prohibition of weapons, including firearms on campus, is longstanding. The prohibition contributes to the welcoming and open nature of the NSHE institutions and promotes an atmosphere conducive to learning.

Nevada law provides authority for NSHE to identify certain circumstances when weapons and/or concealed firearms may be permitted on its premises. This policy sets forth the circumstances and processes required to be followed for a person to obtain permission to carry a weapon or firearm on NSHE campuses.

## 2. STATUTORY PROHIBITIONS OF WEAPONS/FIREARMS ON CAMPUS

Nevada statutes prohibit the possession of certain weapons, including firearms, on NSHE property. NRS 202.265 provides in pertinent part as follows:

NRS 202.265 Possession of dangerous weapon on property or in vehicle of school or child care facility; penalty; exceptions.

1. Except as otherwise provided in this Section, a person shall not carry or possess while on the property of the NSHE, a private or public school or child care facility, or while in a vehicle of a private or public school or child care facility:
  - a. An explosive or incendiary device;
  - b. A dirk, dagger or switchblade knife;
  - c. A nunchaku or trefoil;
  - d. A blackjack or billy club or metal knuckles;
  - e. A pistol, revolver or other firearm; or
  - f. Any device used to mark any part of a person with paint or any other substance.
2. Any person who violates Subsection 1 is guilty of a gross misdemeanor.
3. This Section does not prohibit the possession of a weapon listed in Subsection 1 on the property of:
  - a. A private or public school or child care facility by a:
    1. Peace officer;
    2. School security guard; or
    3. Person having written permission from the President of a branch or facility of the NSHE or the principal of the school or the person designated by a child care facility to give permission to carry or possess the weapon.
4. For the purposes of this Section:
  - a. "Child care facility" means any child care facility that is licensed pursuant to chapter 432A of NRS or licensed by a city or county.
  - b. "Firearm" includes any device from which a metallic projectile, including any ball bearing or pellet, may be expelled by means of spring, gas, air or other force.
  - c. "Nunchaku" has the meaning ascribed to it in NRS 202.350.

<sup>3</sup> *District of Columbia v. Heller*, 554 U.S. 570, 626-7 and 626-7, n. 26 (2008).

- d. "Switchblade knife" has the meaning ascribed to it in NRS 202.350.
- e. "Trefoil" has the meaning ascribed to it in NRS 202.350.
- f. "Vehicle" has the meaning ascribed to "school bus" in NRS 484A.230.

Individuals who have been granted concealed firearms permits in Nevada are still prohibited from carrying a concealed firearm on NSHE property, unless permission is obtained pursuant to NRS 202.265. In this regard, NRS 202.3673(3)(a) provides:

NRS202.3673 Permittee authorized to carry concealed firearm while on premises of public building; exceptions; penalty.

- 3. A permittee shall not carry a concealed firearm while the permittee is on the premises of:
  - a. A public building that is located on the property of a public school or a child care facility or the property of the NSHE, unless the permittee has obtained written permission to carry a concealed firearm while he or she is on the premises of the public building pursuant to subparagraph (3) of paragraph (a) of Subsection 3 of NRS 202.265.

### 3. WRITTEN REQUEST FOR PERMISSION TO CARRY WEAPON ON NSHE PROPERTY

- a. General Rule: An individual seeking permission to carry a weapon<sup>4</sup>, as defined in NRS 202.265, while on NSHE property must make a written request to the President of the NSHE institution on whose campus the applicant seeks to carry a weapon. This requirement to make a written request to the President also applies to individuals who have been granted permits to carry a concealed firearm in Nevada and applies to all firearms, whether or not they are loaded or capable of firing. The individual requesting permission must not bring a weapon onto the institution property unless and until permission in writing has been granted by the President. The written request must set forth the reasons for the request and address any applicable factors identified in Section 4 below.
- b. Exception for certain peace officers and school security guards: The requirement for written permission does not apply to Nevada peace officers and school security guards as defined in NRS 289.150-NRS 289.360, and other state and federal law enforcement personnel, who are required to carry weapons while on duty or while off duty.
- c. Personal security/bodyguards. Individuals, who are employed as personal security or bodyguards and who have been granted a permit to carry a concealed firearm, must submit a request and obtain approval to carry a weapon in accordance with this policy. The institution may, but is not required to, expedite such requests.
- d. Other uses not permitted without approval: The use of weapon(s) for educational, recreational or training purposes on NSHE property must also be approved in writing by the President pursuant to this policy.

### 4. PRESIDENT'S DECISION

- a. Factors for Consideration of Request: An NSHE institution President who receives a written request from an individual to carry a concealed weapon on the campus must

consider, investigate, and evaluate each request on a case by case basis, giving individual consideration to each specific request, and must make a determination on each request according to a need standard. The individual need to carry a weapon shall be determined by the President in consideration of, but not limited to:

1. a specific risk of attack presented by an actual threat;
2. a general risk of attack presented by the nature of the individual's current or former profession, as established by actual evidence of increased risk of attack on such individuals; or
3. a legitimate educational or business purpose.

The President's consideration of the request must include an evaluation of the request by and a recommendation from the institution's law enforcement or security office. In addition, the President's consideration of the request, may also include, but is not be limited to:

1. an interview of the applicant;
  2. a background check of the applicant;
  3. a review of the applicant's permit to carry a concealed firearm;
  4. an evaluation by the appropriate institution personnel of whether other means exist to alleviate the perceived risk of attack or educational or business purpose;
  5. the individual's training with regard to the particular weapon;
- b. Communication of President's decision: The President's written decision should be issued within 10 working days after receipt of request, but this time period may be extended for a reasonable time period for additional investigation of the request. The President shall inform the individual in writing of the determination.
1. Denial of Request: In the event of a denial of a request, the President shall provide a written explanation of the determination.
  2. Approval of Request: In the event of an approval of a request, the President shall specify the conditions, if any, under which the person may carry a concealed weapon, including but not limited to geographic or time restrictions.

5. RECONSIDERATION OF DENIAL.

An individual whose written request to carry a weapon on campus has been denied may request reconsideration of the denial by submitting to the President a written request, including a response to the President's determination that the applicant did not demonstrate need or a legitimate educational or business purpose, and any additional evidence of need or of legitimate educational or business purpose. The President's written decision should be issued within 10 working days after receipt of the request for reconsideration, but this time period may be extended for a reasonable time period for additional investigation of the request. The President shall review the request, consider the response and additional evidence, if any. The President shall provide a written determination regarding the reconsideration request and the President's decision on the request for reconsideration is final and not subject to appeal.

6. CHANCELLOR'S APPROVAL REQUIRED AT SYSTEM LOCATIONS.

Requests for permission to carry weapons at System administration offices that are not located on the campus of an institution, must be sent to the Chancellor. The procedures set forth in Sections 3-4 above apply to the Chancellor's review of such requests.

7. NO AUTOMATIC APPROVAL.

The failure of the President or the Chancellor to issue the written decision on a request for permission to carry a weapon or on a request for reconsideration within the 10 working day time period set forth in Section 4 and 5 above shall not constitute the granting of permission.

## **Section 34. Possession and Use of Marijuana**

The Nevada System of Higher Education is sympathetic to the medical needs of our students, employees and visitors. A growing number of states, including Nevada, are enacting laws decriminalizing or legalizing the use, possession, delivery, manufacture, growth, distribution, production, and/or cultivation (hereinafter “use”) of marijuana, including for medical purposes. Federal law prohibits the use of marijuana, including for medical purposes, on college and university campuses that receive federal funding. The following provisions shall govern the possession and use of marijuana, including for medical purposes, on NSHE property.

1. The use, possession, or cultivation of marijuana, including for medical purposes, on any NSHE or NSHE foundation owned or leased property, or at any NSHE sponsored or authorized activity, is expressly prohibited.
2. Students, employees, faculty, guests, and/or visitors who violate this policy are subject to applicable disciplinary, legal and/or administrative action.
3. Each institution shall permit students who live on-campus or in housing that is owned or operated by the institution, to petition (“request”) for a release from the housing agreement if they assert legal compliance with Nevada state law to use medical marijuana. Such students, who prove their compliance with state law, may, in accordance with the applicable institution refund policy, be released from their housing agreements and may receive a prorata refund of housing fees or rent paid.
4. Each institution shall publish on its website and in its course catalog notice of the prohibited use, possession or cultivation of marijuana, including for medical purposes, on NSHE or institution property in accordance with the provisions of this Section and as prohibited student conduct defined in Title 2, Chapter 10.
5. The Board of Regents recognizes the Nevada Legislature’s stated commitment to a program evaluating the medical use and distribution of medical marijuana to be conducted by the University of Nevada, Reno School of Medicine or the University of Nevada, Las Vegas School of Medicine. Any NSHE institution may engage in marijuana research that is conducted in accordance with state and federal laws and regulations, provided that the following are obtained: (a) the prior written consent of the President of the institution, after consultation with the institution’s general counsel; and (b) legal authorization from the proper federal authorities for approved research purposes.

(B/R 9/18)

## **Section 35. Emergency Alert System**

As required by the Higher Education Opportunity Act (Public Law 110-315), NSHE institutions must inform their respective campuses of conditions posing a threat to life, safety, and security so that members of the community can take necessary precautions to protect themselves.

1. Each institution shall establish an emergency alert notification system for the institution's students and staff, including faculty. The emergency alert system must use cell phone text notifications in addition to any other alert method the institution considers appropriate to provide timely notification of emergencies affecting the institution or its students and staff.
2. At the time a student initially enrolls or registers for courses or a staff member begins employment, the institution shall:
  - a. Obtain a personal cell phone number or e-mail address from the student or staff member to be used to notify the individual in the event of an emergency;
  - b. Register the student or staff member in the institution's emergency alert notification system; and
  - c. Students and staff are responsible for updating their contact information, and the institution may require periodic updating of the contact information.
3. A student or staff member may elect not to participate in an emergency alert system established under this Section. An election under this Subsection must be submitted electronically or in writing.
4. Institutions shall establish procedures to allow students and staff members to change their election status.
5. The personal identifying information obtained from an individual for the purpose of the emergency alert notification system is confidential and the notification system shall be used for emergency announcements only. The emergency alert notification system will be tested no less than twice annually.

## **Section 36. Policy on Registered Offenders**

### **1. Policy Statement**

The Nevada System of Higher Education is committed to promoting a safe and secure environment at all of its institutions. Each institution shall comply with federal and state law and policies set forth by the Board of Regents governing registered offenders, as defined by this Section.

Pursuant to this Section and based on the nature of the offense and risk level of the registered offender, institutions may deny admission, revoke admission, limit enrollment and/or restrict the activities of a student, employee or other individuals on the campus who are registered offenders.

## 2. Definition of “Registered Offender”

As used in this Section, “registered offender” refers to any individual required to register as a sex offender or offender convicted of a crime against a child under federal or state law, including Chapter 179D of Nevada Revised Statutes, regardless of whether that individual is under supervision by any agency of a local, state or federal government.

## 3. Institutional Procedures Governing Registered Offenders

Each President shall develop procedures governing the application, admission, enrollment, employment and/or other presence, including but not limited to volunteers and vendors, on campus of a registered offender. These procedures must comply with state and federal law governing registered offenders and must include, but are not limited to, the following:

### a. Self-Reporting Required by Registered Offender

Institutions must require registered offenders to report their offender status and provide other information required by the institution to the institution’s police or security services and/or other individual or department designated by the institution. Failure to self-report may result in immediate removal from campus and/or disciplinary action, including sanctions authorized by this Section. Other information required by the institution may include, but is not limited to, contact information; changes in residence and employment; and name and address of supervising agency, if any.

### b. Restrictions Placed on Registered Offender by Institution

Institutions must document any restrictions placed on the registered offender as a condition of application, admission, enrollment, employment and/or other presence, including but not limited to volunteers and vendors. The restrictions may include but are not limited to:

#### i. Restrictions on Institutional Housing

Institutions may deny or restrict a registered offender from working, visiting, or living in residence halls, apartments or other institutional facilities for housing.

#### ii. Restriction on Enrollment

Institutions may withdraw, restrict or change student enrollment, including distance education courses, in which a registered offender is enrolled based on the presence of or potential to interact with a minor, and/or other restrictions placed on the registered offender under state or federal law, as a condition of parole or probation, or by the Nevada Division of Parole and Probation of the Department of Public Safety.

#### iii. Restricted Areas/Locations

Institutions may restrict registered offenders from working or being present in specified areas or locations on the campus based on the presence of minors or other restrictions placed on the registered offender by the institution or pursuant to state or federal law, as a condition of parole or probation, or by the Nevada Division of Parole and Probation of the Department of Public Safety. Such locations include, but are not limited to, any children’s programs.

#### iv. Restriction on Employment

Institutions must establish an appeals process under which an offender who provides written notice of an objection to any restriction imposed pursuant to the institutional policy may appeal. Such restrictions may include, but are not limited to, the denial or revocation of admission or the administrative withdrawal from classes. Pending appeal, all restrictions imposed by the institution remain in place.

d. Policy Applicability and Sanctions

All students, faculty, staff, and other members of the campus community are subject to this policy. The Board of Regents and the Nevada System of Higher Education (NSHE) are committed to the appropriate and safe use of unmanned aircraft systems (UAS) to further academic and research objectives.

### **2. Procedure**

a. NSHE institutions must operate UAS in full compliance with all applicable federal laws, including Federal Aviation Administration (FAA) rules and regulations, and all applicable local and state laws, including the provisions of Chapter 493 of Nevada Revised Statutes governing unmanned aircraft vehicles and NRS 396.970 which prohibits surreptitious electronic surveillance on NSHE campuses. Federal regulations supersede any conflicting Board or institutional policies or procedures. NSHE employees, staff or students using UAS as part of their employment or as part of an NSHE program must abide by the most current FAA and state regulations, including obtaining any necessary federal or state authorizations. If UAS operators are uncertain of the applicable regulations at the time of flight planning, Nevada Institute for Autonomous Systems (NIAS) or the FAA should be

contacted. Permission for flight operations should also be acquired from property owners/land managers in advance of flight activities.

- b. After obtaining all required flight permissions, and prior to beginning any operations, the employees, staff and students using UAS outdoors must contact the risk manager or other designated individual responsible for UAS for their institution and confirm that insurance coverage, if required, will be obtained and in place prior to operation, and at a minimum, will ensure liability coverage is provided through the limitations on State tort actions pursuant to Chapter 41 of Nevada Revised Statutes or a separate insurance policy.
- c. All NSHE UAS operators must take all reasonable measures to protect the safety of those involved in the operation and the general public and to avoid violating the privacy rights of the general public.
- d. Each institution shall establish policies and procedures governing the use of UAS that comply with federal and state law governing UAS flight and may include, but are not limited to:
  - i. Requesting required permissions and receiving guidance regarding UAS on the campus, including the designation of an individual on campus to serve as a UAS representative or coordinator;
  - ii. UAS use for educational, recreational, or hobby purposes on campus, including requiring membership in organizations that provide insurance coverage as part of membership;
  - iii. Limitation and/or designation of specific campus areas and times for UAS use such as UAS “geo-fencing” (may include but is not limited to approved designated outdoor netted areas that are exempt from FAA requirements);
  - iv. Prohibitions on use in and around student housing or other areas;
  - v. Requiring central registration/approval of all UAS vehicles and notification of police/security when UAS use will occur;
  - vi. Restrictions on UAS flight over sporting or other outdoor events;
  - vii. UAS use for research on or off campus;
  - viii. Export control restrictions on UAS use;
  - ix. Third-party requests for flights over campus (e.g. media requests);
  - x. Use of third-party contractors for UAS operation;
  - xi. Training requirements for UAS operators;
  - xii. Discipline for violation of UAS policies and procedures; and
  - xiii. UAS use for other purposes on or off campus.
- e. Any third party, including institution contractors and vendors, wishing to use a UAS over NSHE property must first receive approval through the President of the institution with authority over the property. The President may delegate this responsibility to individual designees at the institution.
- f. Any faculty, staff or students operating UAS for educational, hobby, or recreational purposes on NSHE property must abide by the FAA safety guidelines for Model Aircraft Operations.

### 3. Sanctions

- a. Any violations of Board or institutional policy by an individual will be dealt with in accordance with applicable Board and institutional policies and procedures, which may include disciplinary actions up to and including termination of employment or enrollment.

- b. Legal prohibitions regarding physical presence on campus, including trespassing, and other legal action may also be pursued against third parties that operate UAS in violation of this policy.
- c. Fines or damages incurred by individuals, institutional departments or units that do not comply with this policy will not be paid by NSHE and will be the responsibility of those persons involved.

(B/R 9/16)

## **Section 38. Freedom of Expression: Aspirational Statement of Values**

The Nevada System of Higher Education (NSHE) and its eight institutions are committed to free and open inquiry in all matters and strive to afford all members of the NSHE community the broadest possible latitude to speak, write, listen, challenge and learn. Except insofar as limitations on that freedom are necessary to the functioning of NSHE and its institutions, NSHE and its institutions fully respect and support the freedom of all its students, faculty, and staff to discuss any topic that presents itself, free of interference. NSHE and its institutions support addressing issues and controversies by the method of open discussion.

The freedom to debate and discuss the merits of ideas is both welcomed and encouraged. The climate of conflict among competing ideas is quite natural and NSHE and its institutions are appropriate spaces for discourse that inspires critical thought and promotes enhanced learning opportunities.

This freedom, however, is not absolute. In narrowly-defined circumstances, NSHE and its institutions may lawfully restrict expression and may reasonably regulate the time, place, and manner of expression consistent with First Amendment principles.

NSHE and its institutions are committed to the principle that it may not restrict or suppress debate or deliberation because the ideas put forth are thought to be offensive, unwise, immoral, or misguided. History shows that when institutions of higher education attempt to censor or punish the free expression of ideas, they undermine their core function of promoting rational discussion, inquiry, discovery, and the dissemination of knowledge. It is not the proper response of NSHE and its institutions to attempt to shield individuals from ideas and opinions they find unwelcome, disagreeable, or even deeply offensive. It is for members of the NSHE community to make those judgments for themselves.

Members of the NSHE community are encouraged to promote an atmosphere of mutual respect that is aligned with institutional values of inclusivity, diversity, and critical thinking. These values and this encouragement inform the vision of the community we aspire to be.

Faculty, students, staff, and others are free to criticize, contest, and condemn views expressed on campus; however, they may not obstruct, disrupt, suppress or otherwise interfere with the freedom of others to express views they reject or even loathe. For members of the NSHE community, a proper response to ideas they find offensive, unwarranted, and dangerous is to engage in robust counter-speech that challenges the merits of those ideas and exposes them for what they are. To this end, NSHE and its institutions have a responsibility not only to promote a lively and fearless freedom of expression and deliberation, but also to protect that freedom when others attempt to restrict it.

(B/R 3/19)

## **Section 39. Notice to Board of Public Comments on Certain Federal Matters**

The Board of Regents shall promptly be provided a copy of any written public comments submitted by an NSHE institution, or the Office of the Chancellor, to any federal agency or official regarding the proposed adoption, repeal, or amendment of any federal policy, regulation, or statute.

(B/R 6/19)
