The Health Sciences System Committee will make a recommendation on and the full Board will consider UNR President Marc Johnson’s request for approval to eliminate “averaging” of tuition for new non-resident UNSOM students effective Fall 2011 and the complete elimination of averaging for UNSOM students effective June 2014. President Johnson also requests approval to eliminate the requirement that UNSOM WICHE students establish residency during their first year and instead require WICHE students to pay any difference between the UNSOM non-resident tuition and the WICHE approved Professional Student Exchange Program Fees for Medicine (P&GM Chapter 7, Section 2). (Ref. BOR-8)

**ESTIMATED TIME:** 10 mins.

9. **PROCEDURES & GUIDELINES MANUAL REVISION, INFORMATION/ACTION**

The Health Sciences System Committee will make a recommendation on and the full Board will consider UNR President Marc Johnson’s request for approval of the revised tuition and fee structure for the 2011-13 biennium for UNSOM as included in the NSHE Budget reduction detail of the April 8, 2011, Special Board of Regents’ meeting. This request reflects an additional 5% increase in each year of the 2011-13 biennium for both resident and non-resident tuition and fees (P&GM Chapter 7, Sections 2 and 16). (Ref. BOR-9)

**ESTIMATED TIME:** 10 mins.

10. **PROCEDURES & GUIDELINES MANUAL REVISION, INFORMATION/ACTION**
REVISION, 2011-12 and 2012-13 TUITION & FEES, WILLIAM S. BOYD SCHOOL OF LAW, UNLV

UNLV President Neal J. Smatresk requests the Board’s approval of proposed increases in tuition and fees for the William S. Boyd School of Law to cover shortages as a result of the legislative proposed State Budget reductions for FY 2012 and FY 2013 (P&GM Chapter 7, Sections 3 and 17). (Ref. BOR-10)

**FISCAL IMPACT:** Approval of these fee increases will provide additional revenue to help offset the legislative proposed FY 2012 and FY 2013 State budget reductions.

**ESTIMATED TIME:** 10 mins.
11. **PROCEDURES & GUIDELINES MANUAL**
   INFORMATION/ACTION
   **REVISION, 2011-12 and 2012-13 TUITION & FEES,
   SCHOOL OF DENTAL MEDICINE, UNLV**

   UNLV President Neal J. Smatresk and Dr. Karen P. West, Dean of
   the UNLV School of Dental Medicine, present for approval
   additional tuition and fee increase for FY 2012 and FY 2013 for
   the School of Dental Medicine Pre-Doctoral Program P&GM
   Chapter 7, Sections 4 and 18).  (Ref. BOR-11)

   **FISCAL IMPACT:** The proposed tuition and fee increase will annually
   generate an additional $683,595 for FY 2011-12 (over updated FY 2011)
   and $683,595 for FY 2012-13 (over updated FY 2012).

   **ESTIMATED TIME:** 10 mins.

12. **REQUEST TO SUSPEND FINANCIAL STIPEND FOR REGENTS’ AWARDS**
   INFORMATION/ACTION

   Chancellor Daniel J. Klaich requests the Board to consider suspending
   the financial stipend associated with the Regents’ Teaching, Academic
   Advisor, Scholar, Creative Activities and Research Award (Title 4,
   Chapter 1, Sections 15-19) for FY 2012 and FY 2013 given the budget cuts
   that the institutions are facing.  (Ref. BOR-12)

   **FISCAL IMPACT:** Temporarily suspending the financial stipend
   associated with the Regents’ Awards will save $80,000 each fiscal year
   across the System.

   **ESTIMATED TIME:** 10 mins.

13. **HANDBOOK REVISION, SPECIAL REDUCED FEES ELIMINATED**
   INFORMATION/ACTION

   Chancellor Daniel J. Klaich requests approval of revisions to Board
   policy concerning special reduced fees (Title 4, Chapter 17, Section 13).
   Specifically, Board policy authorizes that certain categories of
   students may register for a course without paying a registration fee
   or at a reduced fee including certain senior citizens and non-
   matriculated foreign language speakers.  The proposed policy
   revision would eliminate the authorization for special reduced fees
   for these categories of students.  (Ref. BOR-13)

   **FISCAL IMPACT:** Based on current enrollments of students within the
designated category that are benefitting from the reduced fee authorization; it is estimated that an additional $1.1 million in revenues
may be generated should the Board elect to eliminate the reduced fee authorizations for these student categories. (See attached Estimated Fiscal Impact statement.)

   **ESTIMATED TIME:** 10 mins.
14. **HANDBOOK and PROCEDURES & GUIDELINES MANUAL REVISIONS, ELIMINATION OF GOOD NEIGHBOR TUITION DISCOUNT**

Chancellor Daniel J. Klaich requests approval to eliminate the tuition discount known as the Good Neighbor classification. Under current policy a student who is not a Nevada resident and graduates from a designated high school or community college in a state bordering Nevada may be classified as a “good neighbor” and will pay the discounted Good Neighbor tuition in lieu of non-resident tuition (*Handbook Title 4, Chapter 17, Sections 1, 9 and 12; Title 4, Chapter 15, Section 8; and P&GM Chapter 7, Section 1*). *(Ref. BOR-14)*

**FISCAL IMPACT:** Elimination of the Good Neighbor tuition discount will result in some additional revenue for each institution, although it is likely to be less than the $6.5 million that is estimated based on Fall 2010 Good Neighbor enrollments across the NSHE as some students who will no longer have the option of the discount will not enroll. *(The $6.5 million figure assumes full-time enrollment over an academic program.)*

*ESTIMATED TIME:* 10 mins.

15. **UPDATE ON THE REGENTS’ EFFICIENCY AND EFFECTIVENESS INITIATIVE FOR THE NEVADA SYSTEM OF HIGHER EDUCATION**

Vice Chancellor Bart Patterson will report on the progress of the NSHE business operations review pursuant to the Board's Efficiency and Effectiveness (*E&E*) initiative led by Vice Chair Geddes and Regent Page. The report and recommendations will ask for approval of a number of actions pertaining to NSHE and Board policies and the structure of NSHE business operations. The Board may take action on the proposed recommendations and provide further direction to staff in regard to next steps to be taken.

*ESTIMATED TIME:* 20 mins.
POLICIES & PROCEDURES

16. REMEDIAL MATHEMATICS ASSESSMENT AND PLACEMENT

Vice Chancellor Jane Nichols will provide an update on the work of the NSHE Remedial Mathematics Steering Committee and recent remedial mathematics workshops. On behalf of the Steering Committee, Vice Chancellor Nichols requests that for academic year 2011-12, the colleges and universities be given flexibility within the existing Board policy (Title 4, Chapter 16, Section 1) to run pilot projects which may set alternative placement scores for remedial mathematics. NSHE institutions are working together and running various pilot projects to develop new and more effective methods for delivering remedial mathematics instruction. Analysis of student success data in remedial mathematics and subsequent college mathematics courses will be brought back to the Board after the academic year 2011-12 with recommendations for changes in policy if needed to improve student success. (Ref. BOR-16)

ESTIMATED TIME: 10 mins.

17. HANDBOOK REVISION, 120 CREDIT HOUR BACCALAUREATE DEGREE

Chancellor Daniel J. Klaich requests approval of a revision to Board policy limiting the number of credits required for a bachelor’s degree to 120 credit hours and 60 credit hours for an associate degree with defined exceptions, effective Fall 2012 (Title 4, Chapter 16, Sections 16 and 24, and new Sections 39 and 40). In undertaking the initiative to improve effectiveness and efficiency across the NSHE, the Chancellor reviewed both academic and administrative areas in an effort to improve and establish best practices. The NSHE Plan for Nevada’s Colleges and Universities included among its strategies a limit in credit hours for degree programs with defined exceptions. (Ref. BOR-17)

FISCAL IMPACT: Over time, as students take fewer credits and thus less instructional cost is incurred, there will be a savings; however, it is not possible to estimate that savings with any accuracy. Additionally, the cost of a degree to students and families will be less if they declare a major early and take only required courses.

ESTIMATED TIME: 10 mins.
18. **PROCEDURES & GUIDELINES MANUAL**

**INFORMATION/ACTION REVISION, STUDENT HEALTH SERVICE/HEALTH INSURANCE RATES**

Vice Chancellor Mark Stevens requests approval of the 2011-2012 School Year Student Health Service/Student Health Insurance rate changes *(P&GM Chapter 7, Section 8.F)*. *(Ref. BOR-18)*

**FISCAL IMPACT:** The fees from the proposed changes will be expended on the specific student health/insurance activities noted in the spreadsheets. Please see narrative for each of the proposed changes for the specific fiscal impacts.

**ESTIMATED TIME:** 10 mins.

19. **HANDBOOK REVISION, TENURE DECISIONS**

**INFORMATION**

At the March 2011 meeting of the Board, the Regents requested that a proposal be brought forward to delegate tenure decisions to the Presidents and further to establish an expedited process for tenure of faculty with an exemplary record in their field so that they may be awarded tenure in a shorter period of time. Final action on this item will occur at the September Board of Regents’ meeting. This is the first hearing at which this request is presented for information only. Final action will be requested at the September 2011 meeting of the Board *(Handbook Title 2, Chapter 3, Sections 3.3.1 and 3.3.4)*. *(Ref. BOR-19)*

**ESTIMATED TIME:** 15 mins.
20. PROCEDURES & GUIDELINES MANUAL INFORMATION/ACTION

REVISION, NSHE SALARY SCHEDULE, STEP INCREASES AND SALARY STUDY

Vice Chancellor Patterson requests Board action on three salary schedule related items.

The Nevada Legislature may approve a salary reduction and/or furloughs for state employees. If such a reduction is approved through the legislative process, the Board may take action to approve and implement a pay reduction for NSHE professional employees consistent with the NSHE Code. The Board is asked to take action to approve a modification to the salary schedules in the NSHE Procedure and Guidelines Manual, Chapter 3, Section 1, to add a note to the schedules that salary schedules will be adjusted, contingent upon legislative action and Board approval, for the 2012-2013 biennium.

In addition, as the legislature has not appropriated funds for merit increases for any faculty, the Board is asked to approve a temporary suspension of step increases for community college for the 2012-13 biennium, which necessitates a suspension of Board Policy, Title 4, Chapter 3, Section 30 and the NSHE Procedures and Guidelines Manual, Chapter 3, Section 2.3.

In a related request, current Board policy (Title 2, Chapter 5, Section 5.5.1) requires a review of salary schedules every four years by joint efforts of the faculty, presidents and Chancellor. Given the state budget situation, the likelihood of some level of salary reductions imposed by the State and the lack of any funds for an adjustment in salaries, the Board is asked to approve a two year extension of the study. (Ref. BOR-20)

FISCAL IMPACT: To be determined but any approval of a salary reduction will obviously cause a reduction in expenditures.

ESTIMATED TIME: 10 mins.

FISCAL IMPACT: Base salary and the total compensation package is less than for the former head coach. In addition, there will be some additional salary savings from a slight delay in hiring of two assistant coaches and the director of basketball operations. All such positions are to be hired at rates that will keep total administrative salaries within budgeted amounts for the Men’s Basketball program.
