**ESTIMATED TIME:** 20 mins.
31. **PROCEDURES AND GUIDELINES MANUAL INFORMATION ONLY REVISION, 2017-19 TUITION AND FEES, UNIVERSITY OF NEVADA SCHOOL OF MEDICINE**

UNR President Marc A. Johnson presents for information the proposed tuition and fee structure for the 2017-19 biennium for the University of Nevada School of Medicine (Procedures and Guidelines Manual Chapter 7, Sections 3 and 16). This request reflects an increase in resident tuition and fees of 4 percent per year for each year of the 2017-19 biennium. *(Ref. BOR-31)*

At the June 2016 meeting of the Board, President Johnson will seek approval of the full amount of the proposed increase being allocated to the State Supported Operating Budget of the Medical School, net of any increases in the UNR General Improvement, Capital Improvement, Activities and Programs and Technology fees and the Student Access Fee. The Student Access Fee is calculated as a percentage of Tuition and Fees and therefore results in an automatic increase. There are no changes in the other fees. Final action on the proposed tuition and fees is scheduled to occur at the June 9-10, 2016, meeting of the Board.

*ESTIMATED TIME:* 15 mins.

West present for information the proposed 2017-19 biennium tuition and fees, including summer terms, for the School of Dental Medicine Pre-Doctoral Program (*Procedures and Guidelines Manual Chapter 7, Sections 5 and 18*). This request reflects a 2 percent tuition and fee increase in each fiscal year of the 2017-19 biennium in order to ensure the long-term sustainability of current programs, remain competitive amongst peer institutions, promote student tuition equity and advance the School of Dental Medicine’s mission of providing high-quality dental care to underserved residents of Nevada. UNLV President Len Jessup requests approval of a differential fee for the new Executive Masters in Health Administration (EMHA) program beginning enrollment in summer 2016 (*Procedures and Guidelines Manual Chapter 7, Section 9*). Executive degree programs targeting health care professionals have grown significantly across the country with health care market expansion and organizations providing tuition reimbursement. The UNLV online EMHA is a new program designed for experienced health care administrators and professional individuals whose schedules do not give them the flexibility of completing degree requirements in a traditional academic setting, and it is designed to meet a growing need for health care professionals that are looking to broaden their knowledge base as they seek upper-level leadership positions in health care organizations. This program is anticipated to become fully self-sustaining in three years by including the proposed differential fees with other UNLV mandatory fees. This request is being brought to the Board outside of the normal fee cycle because the program has not been approved by the Academic, Research and Student Affairs Committee. The requested differential program fee is dependent upon approval from the Academic, Research and Student Affairs Committee at its March 3, 2016, meeting. *(Ref. BOR-35)*

**ESTIMATED TIME:** 10 mins.

Chancellor Daniel J. Klaich and the institution presidents request approval for the distribution of the student registration fees for academic years 2017-2018 and 2018-2019 (*Procedures and Guidelines Manual Chapter 7, Section 15*). *(Ref. BOR-36)*
